50 CENTS PER MONTH

YUAN SAID TO BE VIRTUAL PRISONER

Sticks to Manchu Cause in Effort to Save His Own Life

IMPERIALISTS STILL
OPPOSED TO ABDICATION

Rebels Believe They Will Weaken When Fighting Is Resumed

LONDON, Jan. 20.—Premier Yuan is a virtual prisoner, according to a Pekin dispatch. He is reported to be championing the Manchu cause because any other course would mean death.

IMPERIALISTS STILL
AGAINST ABDICATION

SHANGHAI, Jan. 20.—Despite earlier confident messages, Pekin dispatches state that the imperial clan is still opposing abdication. The rebels believe the royalists will capitulate only if fighting is renewed when the armistice expires on January 28. Nanking dispatches say that the provisional president, Dr. Sun, is confident that the powers will intervene.

WALLS OF SHANGHAI
ARE BEING RAZED

SHANGHAI, Jan. 20.—The razing of the city walls began here today. It is the first instance of any municipality in China voluntarily making the change.

An electric line is to be built at once.

The Chinese report that the Manchus are sending the imperial treasures.

CHAMP CLARK READY TO ABIDE BY PEOPLES CHOICE

WASHINGTON, Jan. 20.—Two important developments occurred in the Democratic presidential situation yesterday.

The Woodrow Wilson people issued their first authoritative comment on the Harvey incident. This statement was issued by Wm. F. McComb, Gov. Wilson's political manager, after many conferences with Wilson supporters in the senate and house. The question which Gov. Wilson's manager asks the governor's political enemies to answer is whether one friend in private conversation with another in answer to a plain question should resort to flattery or dissimulation or whether he should state the plain truth as he saw it.

The other development was the announcement by Speaker Clark that if the approaching convention of Missouri Democrats indorses Joseph W. Folk, the speaker will forbid the further use of his name in connection with the presidential campaign and will support Folk.

REID TO BE HOST TO ENGLISH DUKE

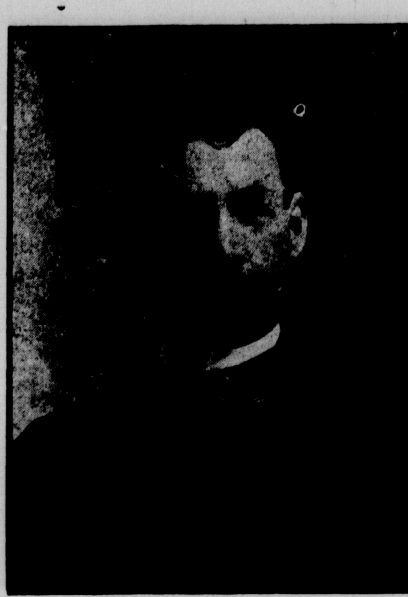

Rumored That Duke of Connaught Will Not Call on Taft While in the U. S.

LONDON, Jan. 20.—A bad impression has been created in diplomatic circles by the cable announcement that the Duke of Connaught will not call upon President Taft during his visit to the United States.

It is customary for members of the royal family visiting foreign countries to pay their respects to the official heads of those countries.

The fact that Ambassador Reid, when he returned to the United States recently, took with him his entire household staff, including his cook, is now recalled with significance, for the only conclusion that can be drawn from taking such an imposing retinue for a stay of two months is that Reid knew that the Connaughts would be his guests.

Hold your order for the New Reid the Fifth, the only car, with a self starter and right hand control, selling for less than \$3000.00. A. B. HENRICKSON, New Location, 304 North Main Street.

Rev. W. H. Wotton

Rev. Wotton is Given Call to Pasadena

Rev. W. H. Wotton, rector of the Church of the Messiah, Episcopal, of Santa Ana, has received a call to St. James Church of South Pasadena. The vestry voted unanimously in favor of calling Rev. Wotton, who has the call under consideration, but who has not given an answer as yet.

Rev. Wotton has been rector of the church here for over twelve years, and should he decide to leave it will be with sincere regret that his congregation sees him and his family leave Santa Ana.

Bulletins of News

Hot from the wire up to 3:30 p.m.

THE WEATHER

Fair tonight and Sunday; light northwest winds.

Former Railroad Man Dropped Dead Today
PASADENA, Jan. 20.—Elias A. Ford, former general traffic manager of the Pennsylvania Railroad, dropped dead today from heart failure.

Welsh-Waugh Fight Has Been Called Off
LOS ANGELES, Jan. 20.—The Welsh-Waugh fight today has been called off. Welsh injured his neck while training, and a doctor is attending him.

Zapattistas Lost Out in All-Night Battle
MEXICO CITY, Jan. 20.—Forty-seven rebels were killed and many wounded in an all-night battle at Pueblo between the federals and Zapattistas. The rebels were defeated.

McManigal to Be Called to Stand Again
INDIANAPOLIS, Jan. 20.—No session of the Federal grand jury will be held until Monday, when Ortie McManigal will probably be called again to the witness stand.

Guggenheim's One-Time Partner Dies in Santa Monica
SANTA MONICA, Jan. 20.—Charles G. Hill, aged eighty-three, the original partner of Daniel Guggenheim in the Leadville mines, died here today. His remains will be taken to Denver.

Kiyo Maru Short of Coal in Mid-ocean

TOKIO, Jan. 20.—The Japanese steamer Kiyo Maru, which left Honolulu January 4 for Yokohama, sent a wireless dispatch yesterday from a distance of 600 miles saying she had insufficient coal on board to reach Yokohama.

BAPTIST ASSOCIATION CONCLUDED LAST NIGHT

REDLANDS, Jan. 20.—The annual Southern California Baptist convention, in session for four days, closed last night. It was the largest denomination held, many coming to inspect the University of Redlands for the first time. The business of the convention was closed this morning and officers were elected as follows:

President, Mattison B. Jones of Los Angeles; first vice-president, J. H. Strait of Redlands; second vice-president, Charles Short of Pasadena; clerk, Rev. George Taylor of Compton; assistant clerk, Rev. B. B. Jacques of Pasadena.

THIRD AMERICAN GETS DECORATION FROM GERMANY

NEW YORK, Jan. 20.—It became known in Wall street yesterday that James Speyer had received from the German Emperor the decoration of the Red Eagle of the second class, which was sent to him through the German ambassador in Washington. He is the third New Yorker to receive this order, the others being J. P. Morgan and August Schnabel.

Speyer was the founder of the Theodore Roosevelt professorship in the University of Berlin, which resulted in the exchange of professors between the leading universities of the two countries.

INTERNATIONAL FLYING MEET BEGINNS

Dominguez Field Will Be Scene For Week of Thrilling Stunts

OPENED TODAY WITH BIG LOCOMOTION PARADE

Pilots of World-Wide Fame Enter Meet and Will Compete For Aerial Prizes

LOS ANGELES, Jan. 20.—The third international aviation meet to be held at Dominguez Field, began with a parade of vehicles of every vintage on the business streets this morning. The meet will continue to and include Sunday, Jan. 28.

Mayor Alexander officially opened the meet with a signaling bomb that started a dozen crafts upward. Thousands of spectators cheered as the birds were perfect for a spectacular workup. Just before the starting gun Lincoln Beachey gave a spectacular demonstration above the grandstand, performing the "death dip" with hands off the controllers. Altitude contests were called off because of unfavorable high currents.

Attempts for endurance and altitude records, an international race, and passenger carrying were the principal first day attractions. The weather is perfect.

The meet is being held under the sanction of the Aero Club of California. George B. Harrison and Professor H. LaV. Twining has been appointed "commissaries sports," a technical term signifying official supervisors or commissioners. All records made at the meet, if properly registered, will be officially accepted.

List of Pilot Entries
The following list of pilots who have entered and will participate in the meet gives an idea of the mammoth size of the show:

Charles Willard, Howard Gill, Clifford Turpin, Phil O. Parmelee, Harold Elton, Glenn Martin, H. F. Kearney, Hillary and Lincoln Beachey, C. F. Walsh, Miss Blanche Scott, Robert St. Henry, Weldon B. Cook, J. M. McCluskey, Theodore Elliston, F. L. Fish, W. B. Atwater, A. J. Engel, J. B. McCalley, Rutherford Page, Harold B. Mulford, Victor Carlstrom, Beryl Williams, Frank M. Stites, Hugh A. Worth, St. Elmo King, E. T. Banning, Albert Hall, Tom Dean, Harvey Crawford, Gene Hutter, N. W. McGinnis, Charles Stevens, Roy M. Brown, Harry V. Schiller, Herman C. Jensen, Robert E. Lee, C. M. Crasson, E. M. Fisk, Frank Suzuki, Ladis Lewkowicz, L. E. Holt.

STEVENS CARRIES THREE PASSENGERS

DOMINGUEZ FIELD, Jan. 20.—Charles Stevens in a Cagle biplane, carried three passengers in a mile flight. It is believed this establishes a record.

"NOTHING TO SAY" TEDDY'S SLOGAN

Roosevelt Says Editors May Set Up Phrase For Permanent Use

NEW YORK, Jan. 20.—"Tell all editors to set up this phrase: 'I have nothing to say,' whenever anxious to quote me on a political subject," said Roosevelt today, when questioned in regard to the Cummins announcement.

He denied the report that he is planning to go abroad with his wife. He listened quietly to the statement of ex-Governor Fort of New Jersey, who declared the announcement of Roosevelt's candidacy would soon be forthcoming. "I saw Fort," he said, "and had a pleasant talk. It was purely personal and I will not discuss it."

Asked if Fort made the statement on his own responsibility he said: "I should think so. That would let me out."

LAPIQUE AGAIN LOSER ON APPEAL FROM JUDGE WEST

Los Angeles Times: The Court of Appeals refused to grant a writ of review yesterday, brought against the Superior Court of Orange county and Judge West by John Lapique. The petitioner asked the court to compel Judge West to certify to certain omitted papers in a case pending in the courts of Orange county, and appealed to the Court of Appeals.

SAVES HIS LIFE

Santa Fe Detective Has Exciting Battle With Freight Car Robber

WEAPON'S HAMMER FALLS ON PALM

One Man Lodged in County Jail, But Two Associates Get Away

After seizing a revolver aimed at him by a box-car robber, C. E. Rothenhoefer, special agent and detective of the Santa Fe, last night battled with his assailant and overpowered him. One or two men who were with the thief escaped. The man taken to jail gives his name as John X. Gordon.

The detective and Officer S. P. Hamilton were in the yards at 3 o'clock this morning when the freight train pulled in. Hamilton was at one end and Rothenhoefer at the other. Rothenhoefer saw that a door to a box-car was broken open. Stepping up to it, he called out to whoever was in it to get out. A man jumped out. On one arm he had a bundle of about two dozen ladies' shoes, mostly suede shoes, and in the other he held a short revolver. As the man struck the ground he dropped the shoes and pulled the gun on the officer. As quick as a flash Rothenhoefer seized the revolver and the descending hammer caught in his hand and tore a deep hole in the palm.

The two men clinched, and Rothenhoefer tripped on the rails and fell. He whirled and got the robber beneath him.

Just then another man jumped from the car and yelled: "Give me the gun." "Yes, I'll give you the gun," replied the officer, and the man turned and ran. Rothenhoefer held his man down until Hamilton arrived. Attempts to get the other man or two men who had been in the car were futile. Constable Jackson joined in the search.

In the car was found a small cheap hammer used to open the shoe-boxes. Searched at the jail by Jailer Jernigan, a quantity of cheap jewelry and three fountain pens were taken from Gordon.

MORE INDICTMENTS ARE LOOKED FOR

LOS ANGELES, Jan. 20.—There was suppressed excitement when the grand jury reconvened. Officials of the district attorney's office refused to state whether any indictments would be returned.

W. H. Lutz, auditor of the First National Bank, where the McNamara defense fund was kept, was the first witness. It is rumored that Juror Robert Bain, who it is alleged Bert H. Franklin bribed, will be called as a witness.

The grand jury adjourned after a session of ten minutes. It resumes Monday.

HOUSE COMMITTEE CLEARS DR. WILEY

WASHINGTON, Jan. 20.—Dr. Harvey W. Wiley, chief of the chemistry bureau of the Department of Agriculture, the storm center of the pure food law administration controversy last summer, is given a clean bill of health in the report of the house committee that investigated the charges and counter charges.

The investigation was made by the House committee on expenditures in the Department of Agriculture and its hearings during the recent extra session of congress awakened national interest. Secretary of Agriculture Wilson, Dr. Wiley, Solicitor George McCabe, and a host of other witnesses contributed to the symposium of revelations regarding the demoralized conditions surrounding the administration of the pure food law.

Dr. Wiley told how most of his rulings were arbitrarily overruled, that there were few cases prepared against drug law violations because many lines of inquiry were taken out of his hands and turned over to the Remsen referee board for investigation. He said his hands were thus "absolutely paralyzed."

An aut out chassis of the E-M-F "30" and Flanders "20" this week at the Wm. F. Lutz Co. showroom. Open evenings.

CUMMINS ANNOUNCES HIMSELF CANDIDATE

Standpatters Rejoice---La Follette in Field to Stay---Strong Talk of Roosevelt And Bryan

WASHINGTON, Jan. 20.—Senator A. B. Cummins of Iowa has announced his candidacy for the Republican presidential nomination. The action has caused a sensation. In his statement Cummins said:

"So much has been published in the newspapers and so much has been written and said to me concerning the presidency that I feel it my duty to make a plain statement. Upon my recent return to Iowa from Washington I made a statement concerning the presidency. That opinion has not changed, but the conditions have. It is probable that more than two candidates will be seriously considered at the convention. If Iowa Republicans believe I am fitted to be presented and desire to present me, I will appreciate and accept their confidence as a gratifying evidence of their faith in my promise to serve as best I can the general welfare of the people."

The standpatters are elated. Walter Houser, La Follette's manager, said: "Cummins proposes to become a 'favorite son' candidate. It will make no difference in our campaign which will proceed as planned. La Follette is in the race to stay."

La Follette's friends declare that cordiality exists between the La Follette and Cummins movements.

PREDICTED THAT ROOSEVELT AND BRYAN WILL AGAIN RUN

NEW YORK, Jan. 20.—With Taft, La Follette and Cummins openly in the field and the hourly growing evidence that Roosevelt will be a candidate, the Republicans are confronted with a complex situation.

Taft arrives from New Haven to

SECOND CAMPAIGN FOR JOB HARRIMAN

State Union of Socialists and Laborites Proposed at the Fresno Convention

FRESNO, Jan. 20.—Stockton is opposed to Los Angeles. The Harrimanites propose to launch Harriman's second majority campaign at the next convention. A fight for the political union of Socialists and laborites is forecasted by the report of the committee named to pass on Tveitmo's report.

The committee recommended a conference of the State Federation of Labor and the Socialist party for the purpose of providing a plan for the political unity of California; at steps be taken to organize the working women; that workingmen's wives form political clubs and work for their classes. We believe that through this program twenty Socialists may sit in the next legislature."

AIRMAN PLUNGED 1500 FEET IN BURNING PLANE

PARIS, Jan. 20.—A 1500-foot plunge to earth in a burning monoplane at the aviation grounds at Senlis yesterday resulted in probably fatal injuries to Lieutenant Berner of the French army aviation corps. The lieutenant's legs were badly burned, and his feet almost destroyed before he could be taken from beneath the burning aeroplane and hurried to the army hospital.

STEPHENSON REPORT FORMALLY FILED

WASHINGTON, Jan. 20.—The report of the Senate subcommittee on privileges and elections, which operated Stephenson, was formally filed today. It is signed by Heyburn, Sutherland, Bradley and Pomereene.

ADVERTISEMENTS THE "LIVEST" READING MATTER IN THE PAPER

You have often been disgusted when reading what at the outset purported to be a funny story or a "live" news item, to find it end up as an advertisement. But do you know that honest, straight-from-the-shoulder, undisguised advertising is often the "livest" reading matter in the paper? It is especially so with the advertisements in the Register these days.

The merchant feels "the Finger of Urgency" press upon him—and he makes price concessions that ought to "move mountains of merchandise." It's your chance—YOUR day! You, who need some things he has to sell—things he's eager and anxious to sell, even at a sacrifice not merely of profits, but of a large part of actual cost—will "take YOUR profits" now. These considerations make the advertisements, these days, particularly "live" reading matter.

WORK DONE IN APPROVED STYLE

Masked Robbers Carrying a Small Arsenal Loot Saloon at Anaheim

PROPRIETOR FORCED TO OPEN SAFE

Gang Secured About \$400 in Cash and Made Clean Get-Away

At midnight last night three masked men held up and robbed Dickman & Cottle's saloon at Anaheim, and escaped with between \$300 and \$400, a gold watch and a number of checks.

The saloon, owned by John Dickman and Stephen Cottle, is situated on Los Angeles street. Dickman was in the place alone just before the closing hour, 12 o'clock. Three men came through the door, two of them armed with a saved-off shotgun each, the third wearing two revolvers, one on each hip. The men with the shotguns pointed them at Dickman, who was taken in charge immediately by the man with the revolvers.

One of the others went to one end of the saloon and the other stationed himself at the door.

The man with the revolvers made Dickman open his safe and cash drawer, and this man pocketed the coin.

Ordering Dickman to keep still, the three men ran from the place. Dickman called City Marshal Kallenberger, who notified Sheriff Rudolck, Rudolck and Deputy Squires left in an automobile for the Mother Colony, and there they took up the trail of the three men, followed it along an alley to a point a quarter of a mile away, where the three men got into a buggy. The tracks of the buggy were followed over a mile west. There the buggy was turned twice around in the street, and turned back. The tracks were soon lost.

Dickman stated that all three men wore handkerchief masks. He could give no description of the men with the shotguns. The man with the revolvers was about 6 feet tall, and above the handkerchief Dickman saw a sandy beard of about a week's growth.

The sheriff does not think that the men were the same who robbed the State Bank of Newport at Newport Beach last Saturday morning.

The sheriff's office learned this morning that the robbers made their escape in a rig stolen in Anaheim, but the name of the owner was not given. This may afford a clue, however, by which they may be traced. Anaheim officers working on the case this morning found one of the handkerchiefs used as a mask on the road west of Anaheim in the direction of Garden Grove, and officers went to that town today in the hope of finding some further trace.

U. S. MAY INTERVENE IN ECUADOR BROIL

British Interests to Be Taken Care of By This Country During Revolution

WASHINGTON, Jan. 20.—Intervention in Ecuador on the part of the United States seems very likely here tonight.

Dispatches were received by the state department giving an account of the defeat of the revolutionists and their retreat into Guayaquil. The rebel leaders are reported to have expressed a willingness to have the foreign consuls at Guayaquil take charge of the situation for the sake of restoring peace and order.

The United States gunboat Yorktown is the only foreign warship in the harbor at Guayaquil.

This government has been asked to care for the British interests in Ecuador during the revolution. The request has been acceded to. This will serve to increase the prestige of the American government representatives at Guayaquil.

Our salesroom is an auto school in itself to which you are invited whether in the market for a car or not. Our salesroom will be open evenings. Wm. F. Lutz Co.

Sunday dinner, duck and chicken, at Hotel Rochester, Orange, tomorrow. Price 50c.

READ PAPERS TO FARMERS

Valuable Institute Has Been
Arranged For Jan. 26 at
Garden Grove

A university farmers' institute will be held at Garden Grove on Friday, January 26, under the direction of Mr. Neff, conductor of farmers' institutes for Southern California. The program is as follows:

Friday morning, 10 o'clock—Music. "The Care of Walnut Groves," by J. B. Neff, Anaheim.

"The Control of Noxious Weeds," R. K. Bishop, horticultural commissioner.

Question Box, conducted by J. B. Neff.

"The Care of Orange Orchards," S. S. Tombs, Fullerton.

"Handling Poultry for Profit," E. E. G. Ware, Garden Grove.

A full discussion will be held after each paper, and all are requested to take part.

The objects of the farmers' institutes are to promote agriculture and horticulture, show where wear and tear can be diminished, labor saved, methods of cultivation and production improved, and the general welfare of the tiller of the soil advanced. You are especially urged to take part in the discussion. All farmers should come and bring their families.

The committee of arrangements is H. A. Lake, E. G. Ware, J. A. Knapp.

WICKERSHAM DEFENDS JUDGE HOOK'S DECISION

WASHINGTON, Jan. 19.—Attorney General Wickersham has investigated the protests against the appointment of Justice William Hook of Kansas, to fill the supreme court vacancy, and declares them groundless. The protests cited Judge Hook's decision in the Oklahoma two-cent railroad fare case.

GAS COMPANY ASKED DELAY

Conference With City Officials
Was Not Held Thurs-
day Evening

There is a great deal of interest in Santa Ana, Orange, Anaheim, and Fullerton in the declaration of the Southern Counties Gas Company that it is going to ask for a raise of the gas rate in Santa Ana and that it will fight any attempt to lower the rates at Orange, Fullerton and Anaheim.

A meeting of the trustees of Orange, Fullerton and Anaheim with the gas company officials was arranged for Thursday night, but the gas company officials asked for a continuation of a week, and the request was granted.

In regard to the company's appearance before the city trustees at Anaheim, the Gazette says: "Representatives of the Southern Counties Gas Company, including President Hinsdale, appeared before the board of trustees on Thursday evening for the purpose of laying before the public the company's side of the controversy which has been waging since the present corporation took command of the gas situation in northern Orange county."

"President Hinsdale addressed the board and among other remarks said that a rate of \$1.25 per thousand was the lowest possible figure the company could grant. The business is bonded to the extent of \$500,000 and since the present stockholders assumed control not a single dollar in dividends has been paid them. All the stockholders ask, he continued, is a dividend of six per cent on their investments. Many improvements had been made in the service by the company, and many more were contemplated. In short they would not cease until the system was brought to as perfect a condition as possible."

"Price, Waterhaus & Co., expert accountants, are now auditing the books of the company, he said, and as soon as completed a copy of their report would be sent to the trustees, showing the condition of the company, its receipts, expenditures and the cost of its improvements. The books are open for inspection at all times, he continued, and the board was invited to examine them."

"In answer to an inquiry Mr. Hinsdale stated that the company had not fixed a dollar rate at Santa Ana. It inherited the present rate from the old company and was losing money by it. The rate at Santa Ana would be raised sufficiently to give a reasonable profit on the service. The gas people, he continued, would welcome an official inspection. General Manager Peterson is now on the road locating deficiencies which would be remedied as soon as found. In short, he expected the service to be brought to such a state of proficiency in a short time that no consumer will have cause for complaint."

"The Fullerton Tribune has the following comment: 'The gas company is not agreeable to the reduction of price, to correspond with the rate in Santa Ana, but has threatened to raise the rate there and also in the three cities which are proposing to pass an ordinance to cut the rate.'

"The gas company is having its hands full of a peck of trouble trying to justify its discrimination in charging one rate for gas in one town and a higher rate in another for gas manufactured at a central plant."

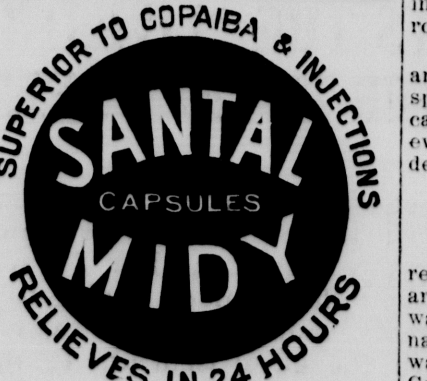

"The quality of the gas is also considered poor and low in heat units. Since the agitation began parties have been figuring on a plan for piping natural gas from the Fullerton field to this city."

400 IN ONE PARTY IS TO WINTER IN LOS ANGELES

LOS ANGELES, Jan. 19.—The first "Inland Empire Special" of the Oregon-Washington Railway and Navigation Company, consisting of eight Pullmans, three diners, a club car and an observation car, will arrive here from Portland over the Southern Pacific coast lines at 5:30 p. m., January 25. The train will bring 400 business and professional men and their families, who will remain in Los Angeles and Pasadena the rest of the winter.

GIANT OLYMPIC DAMAGED IN HER STORMY VOYAGE

NEW YORK, Jan. 19.—Even the giant Olympic, largest passenger steamship on the seas, was badly damaged by the storm of Monday night. She came to port Wednesday lacking one of her big skylights, eighteen feet square and four tons in weight, which was torn off by a heavy sea. The whole voyage was marked by rough weather.

**MOTHER GRAY'S

Talks On Tailoring

Now that so many reduction sales are on, it may be asked of us—
"Why don't you put on a clearing sale?"

Our answer is that we can't do it. We make GOOD clothes out of GOOD fabrics, and our prices are ALWAYS as low as it is possible to make them without inviting bankruptcy.

This is no intimation that anybody else's sale is not a genuine reduction sale—in fact we are confident that ALL the sales advertised are conducted honestly and afford rare opportunities for bargains.

Neither do we mean to intimate that anybody's "regular" prices are too high.

What we are driving at is simply to make it clear that you get a BIG VALUE FOR YOUR MONEY at all times if we make your clothes.

Clothes buyers will find it a pleasure to view our windows where we have on display a fine assortment of new spring fabrics, suitable for both ladies' and gentlemen's wear.

In addition to the pleasure of seeing this display, it is an instructive exhibit in clothes fabrics—the first in Santa Ana, of the new goods for spring wear. You will realize this when you see the goods—they are so different from anything ever before shown. The spring fabrics have a daintiness and beauty that make them exceedingly attractive, not alone to the young man but to the business man and the more modest dressers.

Come in and admire these goods—feel of them and test their texture—buy them now while they are newest and you can get the best selection. These goods are shown in the medium or all year round weights.

Lutz & Co. TAILORS

A NEW RESERVOIR OF LARGE CAPACITY

Orange News: Plans for a new city water reservoir which shall have a capacity of 600,000 gallons or about ten times the capacity of the present reservoir, and which shall be built in two compartments, so that one may be cleaned while the other is in operation, were submitted to the city trustees last evening by Geo. L. Bates, the city engineer.

According to the plans, the reservoir is to be built of concrete. It is to be 10 feet deep and 80x100 in area, being divided into two compartments, each 50x80. It will be set into the ground at a depth of about 7 feet and the walls will be backed with dirt, where they extend above the ground level.

The walls will be 2 feet 6 inches in thickness at the base and 6 inches at the top. The division wall between the two compartments will be 4 feet thick at the bottom and 6 inches at the top. Some suitable roofing is yet to be selected.

The trustees discussed the plans and ordered some changes in the specifications. The amended specifications will be ready next Monday evening, when the trustees will order advertising for bids.

SIGNAL OFFICER RETIRED

WASHINGTON, Jan. 19.—The first retirement on account of age of the army signal corps for several years was recorded yesterday when the name of Col. Richard E. Thompson was stricken from the active list. Col. Thompson was born in Maine in 1848 and during the Civil war was appointed to the military academy from Rhode Island.

At the outbreak of the Spanish-American war Thompson was assigned to the volunteer service and served during the campaign. At the end of the war he went back to the regular establishment with the rank of major.

EAST NEWPORT NEWS BUDGET

Newport Beach Social and
Athletic Association Is
Incorporated

EAST NEWPORT, Jan. 20.—Mrs. Jos. Ingersoll came down from San Bernardino on Monday for several days' stay while alterations are being made on her cottage, which she has moved from Bay to Central avenue.

Mr. and Mrs. A. E. Wagner and Mr. and Mrs. H. M. Leach, who enjoyed an outing in the Woodhill cottage, have returned from Los Angeles.

Mr. J. W. Carroll and his daughters, Mrs. James V. Carroll and Miss Margaret Carroll were visitors here one day this week, from Los Angeles.

Mrs. J. S. Aundrand, who has been spending the past three weeks in her cottage on Monterey avenue, has returned to her home in Redlands.

Mr. and Mrs. Edwin Springer, formerly of Elgin, Ill., have engaged the Carroll cottage on the ocean front, and will make their home here for an indefinite stay.

Mrs. Edwin L. Quinn, president of the Ebell Club, left on Wednesday morning for Ontario, where she attended the sessions of the District Federation of Women's Clubs at the annual convention.

Mrs. Blanche N. Hurd and Miss Frances Hurd, who are spending the winter in Los Angeles, came down Tuesday to occupy their cottage here for a short time.

Mrs. D. D. Johnson, with a party of eastern relatives, came from Norwalk on Wednesday to remain until Monday in Dr. Clark's cottage on Central avenue.

Miss Julia Derby of Los Angeles, entertained with a house party over the week end, in the Derby cottage on Bay Island.

Mr. and Mrs. J. E. S. Heath of Pasadena, are occupying their cottage on the ocean front.

Dr. and Mrs. E. J. Cook and children and Mrs. W. M. Wallace and children spent the week end in their cottages on Bay Island.

Mr. and Mrs. E. A. Bellringer arrived Wednesday from Eagle Rock and are occupying their cottage on Bay Island.

700 CARLOADS UP TO DATE

Celery Shipments Were Held
Up By Cold Weather
in the East

Huntington Beach News: Shipments of celery continue without interruption, about 700 cars having gone forward so far this season. For a time last week it seemed as if operations would have to be temporarily suspended as the railroad companies, owing to the unprecedented cold spell in the east, were refusing to accept cars destined for the middle west and east.

On Saturday, however, Thos. O'Neill, general manager of the California Vegetable Union, reported that the Rock Island railroad was again moving freight and that weather conditions in Chicago were moderating, with the result that on Monday shipments of celery were again resumed.

J. E. Randall, secretary and A. E. Bird president of the Southern California Beet Growers' Association, are expected to tour this section of the beet-growing country soon. The local president, S. E. Talbert, will notify the growers here several days before they arrive and a meeting will be held in the schoolhouse, at which a number of matters of interest will be discussed.

The Celery Growers' Association has almost completed taking out celery from the ranches around Talbert. One thousand crates were cut from the ranch of S. C. Talbert last week. This week the Association is cutting

HER FRIEND'S GOOD ADVICE

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Cothurn, of this place, "I suffered with terrible pains in my back and head. I had a hollow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief."

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited. I shall always praise Cardui to sick and suffering women."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old. Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution. Cardui has helped a million women back to health and strength. Have you tried it? If not, please do. It may be just what you need.

COMING TO SANTA ANA

TUESDAY, JANUARY 23, FROM 10:00 A. M. TO 4:00 P. M. ONE DAY ONLY.

A Well-known Specialist of the Therapeutic Institute, 946 South Broadway, Los Angeles, by request of many friends and patients, will visit Santa Ana on the above date. Every afflicted man and woman is invited to call. Consultation, Examination and advice FREE.

MARVELOUS DISCOVERY THAT CURES QUICKLY WITHOUT DRUGS.

Cancers, Tumors

A SIMPLE, SAFE, RELIABLE METHOD THAT QUICKLY CURES WITHOUT CAUSTICS OR OPERATION—NO KNIFE, NO PAIN

If you have failed to get relief from old-time methods of treatment do not despair—there is still hope and help for you.

We have successfully treated Cancers, Tumors, Goitre, Consumption, Asthma, Catarrh, Deafness, Weak Lungs, Chronic Cough, Rheumatism, Neuralgia, Piles, Fistula, all Skin and Blood Diseases, Paralysis, Locomotor Ataxia, Spinal Trouble, all Nervous Diseases, Prostatic Trouble, Diseases of the Kidney, Bladder, Nervous Debility. We give special attention to diseases of women.

Our treatment is applied directly to the affected parts. It is mild, soothing, healing and has immediate effect.

St. Vitus Dance, Stubborn Nervous Diseases

Diseases of the nervous system require the highest degree of medical skill for successful treatment. Epilepsy, Chorea or St. Vitus Dance, Paralysis in its various forms, Hysteria, Spinal Prostration and other derangements or lesions of the nerves, brain or spinal cord are usually very obstinate and often regarded as incurable. The majority of such cases are incurable by the ordinary methods, yet they yield readily by our system of treatment. The first thing in the treatment of these diseases is to locate the cause of the disease which is often obscure. Science enables us to accomplish this.

We extend a cordial invitation to every man and woman to visit our Institute and talk with us about their affliction, and to let us demonstrate the means we have employed successfully in hundreds of other cases.

Suffering Women

Among the vast number of our women patients fully three-fourths tell of having previously submitted to some painful and dangerous operation, involving in most instances the sacrifice of some important organ, and that, too, without the slightest relief or benefit, while many find their sufferings to have been aggravated and intensified.

Our treatment saves suffering women from dangerous surgical operations. It has proven efficient, reliable and successful in all manner of diseases of women. It has cured the most severe cases of inflammation and congestion of the womb, inflammation and congestion of the ovaries, ulcerations, fibroid tumors, ovarian tumors, incipient cancers, falling of the womb, irregular, profuse, painful menstruation, etc.

The remarkable success of this modern painless treatment has been attested to by scores and hundreds of cured patients, while its value has been attested to and endorsed by some of the most prominent medical writers in the country.

from the fields of John Pope and R. Herman.

A crate of celery raised on the ranch of Walter Lamb, a local grower, was brought to the Talbert store last Saturday and contained thirty-two bunches, weighing one hundred and fifty pounds. The celery was shipped to San Pedro.

Jack, the four-year-old son of G. L. Baker, a rancher, while playing with a number of companions on his father's ranch about a mile from Westminster last Saturday afternoon, was kicked by a colt with which the children were amusing themselves, and suffered a fracture of the right lower jaw. The unfortunate boy was brought to the office of Dr. G. A. Shank in this city, where his injury received attention. He will remain at the home of the physician for two or three weeks until the jaw is partially healed and will then be removed to his father's home to which he will probably be confined for several weeks more as the injury is a severe one.

UTAH SHIPS YOUNG TREES TO COAST—ALTIMETER PROOF

LOS ANGELES, Jan. 18.—Fifty thousand apple and pear trees will be shipped from nurseries in Utah in the first week in February for planting at Tehachapi this spring. The reason for shipping the trees from Utah instead of getting them from some of the many excellent California nurseries was to get stock from an altitude and climate corresponding to that of Tehachapi, which is 4000 feet high.

BABY CAMEL BORN AT VENICE—FIRST IN UNITED STATES

VENICE, Jan. 19.—A baby camel was born at the winter quarters of a wild animal show here Wednesday. It is slightly larger than a calf, and has two very small but perfectly formed humps. So far as known, this is the first camel born in the United States. Ward McFadden, president of the Venice Boosters' Club, and F. K. McCarver, president of the Venice Chamber of Commerce, have prevailed on the show owner to name the camel "Venice."

Many Cured Patients

We give below names of a few of our many cured patients:

Mrs. Geo. Bredow, 1239 East Twenty-second street, Los Angeles, says: "Some years ago I had what the doctors called a fibroid tumor. They estimated that it would weigh at least thirty-five pounds. To my knowledge it had been growing for about five years. It caused me a great deal of suffering and anxiety. On September 4, 1902, I called on a physician in charge of the Therapeutic Institute, 946 South Broadway, for consultation and advice. He made a careful and thorough examination of my case and, to my surprise, said he could cure me without an operation. I took treatment from him for six months and in that time I was reduced to my normal size and completely cured. It has been now nearly nine years since I took the treatment, and I have never had any return of the trouble. I consider this wonderful, because the leading physicians and surgeons that I examined before all said the only thing to do would be to go to the hospital for an operation, and it would be doubtful if I would recover from the shock, owing to my weakened condition. I can say to the ladies of Los Angeles and vicinity that I feel that I owe my life to the treatment and can highly recommend it to the afflicted."

Lewis Williams, 2622 Loosmore street, well known retired business man, cured with two treatments, of cancerous growth on hand.

G. H. Farrar, 1525 East Fifty-first street, was cured in two months of a large cancerous tumor on left breast, from which he had suffered for four years.

Mrs. J. Brown, 219½ North Olive street, cured of piles, after intense suffering for ten years.

We have on file hundreds of testimonials similar to the above. If you are afflicted and interested, you are invited to call and investigate.

Bladder and Kidney Diseases

W. M. Weaver, assessor of Imperial county, California, says: "For ten years I suffered with prostatic and bladder trouble; was obliged to get up from three to ten times every night and at times had smarting, burning pains, weak back, was getting very nervous and losing strength. I became much alarmed about my condition, as all medicine and treatment from doctors seemed to do me no good. I read in the paper of the Therapeutic Institute, 946 South Broadway. I decided to try once more. I came to Los Angeles, called on the physician in charge and commenced treatment. After taking only seventeen days' treatment I can truthfully say that I feel completely cured. Now I go to bed and sleep all night without being disturbed for the first time in ten years, and feel like a new man. I can highly recommend the

Therapeutic Institute, 946 South Broadway, Los Angeles, Cal.

Our treatment is applied directly to the weak and affected parts. It is mild, soothing, healing and has immediate effect. Some cases are cured with one or two treatments—there is no shock, no pain. A cure from this treatment is guaranteed to be permanent.

Consultation, Examination and Advice Free and Invited. Call on the Above Date or at Los Angeles Office, or write

Santa Ana California

THE REGISTER'S RECORD OF BUILDING PROGRESS

CHURCH WILL BE ENLARGED AND IMPROVED

First Methodist Congregation Will Have Structure of Credit to the City

WILL TAKE CARE OF ANY CONVENTION

Substantial Residences and New Fronts Features of Building Situation

The most important building news of the week is the announcement that the First Methodist Episcopal church has had plans prepared and called for bids on extensive alterations in the interior of the church edifice, which not only will largely increase its seating capacity, but will give increased efficiency and convenience in many other ways.

The decision to enlarge the church building was caused primarily by the demand for more Sunday school room, the school having grown to such an extent that the present accommodations are entirely inadequate. It was determined that while the work was being done the interior of the building should be so enlarged and altered as to make it serviceable for years to come, and at the same time provide what Santa Ana has come to need very greatly—a church sufficiently large to accommodate any convention likely to come to the city. When the alterations are completed it will be so arranged that the main auditorium and Sunday school rooms that 2000 people may be seated and all be in view and hearing of the platform.

The Sunday school room now occupies the east side of the church, and on the north end of this is to be built a two-story addition 38x56 feet in size. This will give room for eight large class rooms, and also

Bounding Health You Can Have It

Every man and woman has an inherent right to—and can have and enjoy—the blessings of vigorous health and strength—if they will utilize what nature and science have provided for the renewing and upbuilding of the human body.

The human system works on the same principle as any piece of machinery—when any one part fails to do its work properly—the entire organization is affected.

The same all-wise Providence who created these human bodies—also provided remedies for our health preservation. The most successful and efficacious remedies known to medical science today are derived from herbs which nature primarily intended as remedies for our ills.

The most successful herb preparation that has yet been compounded is Brackett's System Builder, a "pleasant-to-take" tablet—tablet—contains absolutely no habit-forming drugs.

Brackett's System Builder assists nature in building vigorous bodies by purifying and renewing the blood, thereby strengthening the heart, improving the circulation—overcoming nervous weakness, debility, loss of ambition, loss of vitality; by restoring, reinvigorating the body, brain and nerves to their highest efficiency, thus overcoming all chronic disorders of the system. For sale at first-class drug stores, 50¢ per box, or sent prepaid upon receipt of price by Robert A. Brackett Company, Chemists, Los Angeles, Cal. Liberal sample and booklet free, upon receipt of ten cents in stamps to cover mailing and postage. Dean Drug Store, Special Distributors.

Good Artificial Building Stone

will outlast cut stone if properly made and it costs much less.

We design and make stone trimmings in colors to suit building copings, balustrades, columns, arches and foundation stone, made to order in any design.

CONCRETE WATER PIPE FOR IRRIGATION SYSTEMS

WHITNEY BROS. & THOMPSON Proprietors. Third and Bush Sts. Santa Ana. Phone, Red 4141.

THOMAS ASH CARPENTER AND BUILDER Plans and Estimates Furnished. TERMS REASONABLE. 521 S. Sycamore. Phone Red 1691.

N. L. GALBRAITH Carpenter and Builder. Estimates Made. 1054 West Fourth St. Phone, Red 221.

S. B. STAMBAUGH CONTRACTOR AND BUILDER Plans and Estimates Furnished Free. 802 East Pine St. Phone, Sunset, Red 1547.

will materially increase the size of the main Sunday school room. Ladies' cloak rooms and other conveniences are also to be added. The basement, which is now occupied by the dining room and kitchen, is to be extended under the addition, providing a dining room in which close to 500 people may be seated. The kitchen will be moved back and enlarged, and many conveniences added, not the least of which will be a clever device by which the large door between dining room and kitchen may be dropped so as to form a serving table 18 feet long.

On the north side of the main auditorium an addition is to be built providing room for the organ loft and choir. The organ is now undeniably placed in the northeast corner of the auditorium, and when it is moved the platform will be extended over this space, so that a speaker may address all parts of the floor when thrown together. The organ is also to be rebuilt and enlarged by the addition of 160 pipes, and when this work is completed it will be one of the finest instruments in the city.

A call has been issued for bids on the work, and they are to be opened February 12. It is the intention to have the work started as soon after that time as possible.

Healthy Activity Shown The local building situation continues to show a most satisfactory condition. Building permits issued from the office of Inspector Roper during the week called for expenditures of \$11,125, bringing the total for the month to date up to \$42,365. New projects are being talked of all the time, and there are no indications that there will be any decrease in activity for some time to come.

Improvement of business property is in the air. During the past week the store of the Santa Ana Hardware Co., on West Fourth, has been greatly improved in appearance by the addition of a modern front of the most improved type. Workmen were engaged on the building at 117 West Fourth, owned by the Misses Reinhaus and occupied by Miss O'Donnell, where an up-to-date front is to be put in and other improvements made which will make the building first-class in every respect. A. J. Visel, who owns the building just to the west of this, now occupied by J. G. Quick, is preparing to put in a handsome new front.

On the new Wakeham tract, in the northwest part of the city, there is great activity. The owners have a force of between thirty and forty men at work laying sidewalks and curbs, grading streets and doing other work to put the tract in first-class shape. Work was started this week on a pretty bungalow for Ashby Turner, and another new residence is to be started next week.

'FRISCO OPPOSES ADVANCE IN RATES BY PANAMA LINE

SAN FRANCISCO, Jan. 18.—The proposed increase in rates on west-bound traffic carried by the Panama Railroad and Steamship line will be vigorously opposed by the commercial bodies of important Pacific Coast shipping centers, has been announced by officials of the San Francisco Chamber of Commerce, following the adoption of a resolution authorizing William R. Wheeler, manager of the traffic bureau of the Chamber, to go to Washington at once and take the matter up with the administration.

It was announced in December that the Panama line, which is owned and operated by the government, would increase its rates on west-bound traffic, but Secretary of War Stimson, when appealed to, suspended the proposed advance until February 4 in order to give the objectors a hearing. Simultaneously with the protest of Pacific Coast shippers, many shippers on the Atlantic coast protested to Secretary Stimson, as the government line is the only feeder for the independent freight steamship lines plying between the canal zone and Pacific Coast ports.

The resolution asserts that the policy of the Panama line in increasing its rates is hurtful to commerce on this coast, and instructs Mr. Wheeler to bring to the attention of President Taft the refusal of the line to buy or charter vessels to care for the increasing trade.

GARY IN DEFENSE OF STEEL TRUST

Denies Brandeis' Charges That Workmen of Trust Are Treated as Slaves

NEW YORK, Jan. 19.—In a carefully prepared statement, Elbert H. Gary, executive head of the United States Steel corporation, defended that giant trust this week from a spirited attack made on it last Saturday by Louis D. Brandeis, the Boston lawyer and economist, in an address at the Republican club in New York.

Judge Gary denies Brandeis' charge that the steel corporation is making slaves of its workmen and forcing them to work twelve hours a day seven days in the week. He declares the object has been to better the condition of the workers, and that wages are now 25 per cent higher than when the corporation was organized.

Hold your order for the New Red the Fifth, the only car, with a self starter and right hand control, selling for less than \$3000.00. A. B. HENRICKSON, New London, 224 North Main Street.

HOMESEEKERS IN DROVES ARE COMING

Local Realty Men Busy Showing Advantages to Prospective Purchasers

MARKET EXHIBITS VERY HEALTHY TONE

Large Deals in Ranch Property Among the Features of the Week

In the local realty market there is not only marked activity, but a strong tone and numerous indications of good things to come. Just at present the city is being flooded with strangers, an unusually large proportion of whom are homeseekers, and they not only come to look, but stay to buy. Real estate men have been busy showing the advantages of city and surrounding country to prospective investors, and their work has been of profit. Transfers are numerous, and many of them of importance. Real estate men are more and more convinced as time goes on that the year is to be a banner one. Orange county's superior advantages are making themselves felt among visitors, and the work now being done undoubtedly will bear heavy fruit in the future.

An important deal just announced is the sale by S. W. and George S. Smith of their 25-acre ranch near Olive to Samuel Nau of Santa Ana. The ranch is set to oranges, walnuts and apricots, and the price paid approximated \$35,000. This is another instance of the rapid increase in value of Orange county property, the ranch having been purchased by its recent owners a few years ago at a comparatively low figure, and by intelligent development and the natural increase in values brought up to the splendid price which they realized.

Dr. T. J. Haughton this week sold 21 acres about a mile north of Villa Park, at a uniform price of \$1000 per acre. Ten acres went to Mr. Spencer of Orange and eleven acres to Joe Ames of Olive. About three-fourths of the tract is set to Valencia oranges.

Dr. Haughton and J. A. Turner, who last week purchased about 150 acres of undeveloped land in the Santa Ana canyon, have made arrangements to at once install a pumping plant which will develop sufficient water to irrigate the entire tract. Of the land only a little over 100 acres is suitable to trees, and this will be at once planted to oranges, it being the expectation that the entire 100 acres will be covered by June.

J. Howard Turner and Clyde Horton each this week purchased from Geo. A. Edgar a building lot on Chestnut avenue. Both the new owners expect to build in the near future. C. O. Neff has traded his residence at 415 East Fifth street to Mrs. Belle Clemons for a house and five acres on North Glassell street, near Collins avenue, Orange. While Mr. Neff has moved to the ranch, he continues his employment at the Griffith Lumber Co. mill.

WRIGHTS PERFECT SAFETY DEVICE FOR AEROPLANE

NEW YORK, Jan. 18.—The Wright brothers have made the aeroplane fool-proof.

The device by means of which an aviator can fly without concerning himself in the least about the equilibrium of his aeroplane, has been practically perfected and demonstrated at Dayton. A. L. Welsh, one of the pioneer Wright flyers, announced this week at the Manhattan Hotel that he had flown a craft equipped with the device recently for over a half hour in a stiff wind with complete success.

It was practically in order to perfect this automatic stability device that the Wrights conducted their experiments at Kittyhawk, N. C., last fall. The successful completion of the device is a result that has been sought by experimenters in every part of the world ever since the Wrights brought out the aeroplane. It means that any man can step in a flying machine and pilot it through the air with as much ease as he can drive an automobile. The balancing which has hitherto made good aviators so rare and has made flying so dangerous, is no longer necessary with the aid of this device. It brings the driving of flying machines practically within the range of any ordinary person's capability without intricate knowledge of aeronautics.

PLENTY OF MONEY IN OLINDA OIL FIELDS

Olinda Derrick: Monday was pay day. Everybody was happy. Plenty of money all around the camp and lots of bills that got the "paid" mark down at the bottom.

The latter point is one that the oil field is strong on. It stands at the top in the south in this respect, for there is no body of wage earners anywhere in California that is surer of paying bills promptly after getting the pay envelopes than is that of which Orange county oil field workers are made up. They are just as good as money in the bank when it comes to accounts, and the business public knows it. Therein is the strongest reason the business public has for making the hustle for Orange county oil field trade that it does. The boys not only buy liberally and of the best, but they come across with the other important item—the pay for that which they buy. The fact is a big one in the summing up of virtues of the boys of the oil field which put them at the top in public esteem, as the liveliest of the live in the county.

Monday and Tuesday there was migration from both shifts to Fullerton, Anaheim and Los Angeles. Oil field people went in to do buying, pay bills and circulate among friends. It is good to note that the volume of travel on these days to Anaheim and Fullerton is constantly on the increase and a little bigger each month, while the travel to Los Angeles is on the wane.

ROBB RANCH SOLD; OTHER ORANGE DEALS

Orange News: S. B. Robb has sold his 10-acre ranch, South Tustin to move into the city. He has purchased the H. A. Talley home on South Orange street, a fine residence and a pleasant location. Dutton Bros. acted as his agents in buying the city property.

W. H. Freeman of North Tustin street, was the purchaser of the Robb ranch.

Mrs. J. A. Huhn of Glendora, has sold the house and lot on South Center street, of which she has been the owner. Guy Maletta was the purchaser and the sale was handled by Dutton Bros. In the deal Mrs. Huhn becomes the owner of two lots on North Pine street.

ARE ESTIMATING DAMAGE BY FROST

Redlands Fruit Men Give Encouraging Views on the Situation

REDLANDS, Jan. 19.—With Jack Frost's visit now three weeks past orange growers and shippers are beginning to estimate the amount of damage done by the Christmas night freeze, when the thermometer reached 24 degrees. Estimates, even from the best resources vary so greatly that conclusions are drawn with difficulty. However, the subject is one of paramount interest in the citrus belt and any opinions from men prominently identified with the industry are interesting.

Arthur Gregory, general manager of the Redlands Mutual Orange Company, operating two large packing-houses here and half a dozen in other Southern California towns, being one of the biggest men in the orange industry in this end of the state, said yesterday: "The orange situation looks good to me. People were much more frightened over the frost than conditions warranted and my judgment now is that not more than four or five per cent of the Redlands crop was injured. The fruit is hanging on the trees and is growing, those few warm days last week having been a fine thing for the fruit. We are not shipping much just now on account of the bad weather in the East, which always causes a slump in the market."

Charles D. Elstead, California representative of the Hamilton Reservoir Orchard Heating Company, is in Redlands today after having been nearly all over Southern California in the interests of his company, which keeps him in touch with the citrus situation, and he said: "You Redlands people have fared the best of anybody as far as that frost was concerned. Your fruit and trees are looking fine, and I believe the outcome is going to be good."

Another extensive shipper, whose judgment is always considered conservative and good, estimates the damage at from twelve to fourteen per cent, the growers in the lower sections and those parts of groves running down into little canyons and gullies being most injured, although it is not an unusual thing to pick two oranges of the same tree and find one touched by frost and partially dry inside and the other juicy and in perfect condition. This would lead to the conclusion that the only way to really know about the damage is to wait until the fruit is weighed, as the frozen fruit always shows up very light.

WOMAN PASSES BAR EXAM—HAD HIGHEST OF CLASS MARKS

LOS ANGELES, Jan. 19.—Katherine Anna McKenna this week passed the law examinations with a marking of 99 per cent, the highest marks given any member of the class of forty-seven, of which Mrs. McKenna was the only woman.

Mrs. McKenna, who is the wife of James Irving McKenna, a prominent lawyer practicing in this city, has been a student of law for three years. She was determined that her study be so thorough that when she finally took the examinations there could be no doubt of passing. She studied law un-

NEW HOUSES AT FAIRVIEW

W. T. Hayhurst Is Building Another Cottage—Grocery Team Ran Away

FAIRVIEW, Jan. 18.—A great deal of building is going on in and around Fairview. W. T. Hayhurst is building another cottage on Huntington Drive. The contract is let for two new residences at Pollerino and an 8-room bungalow for J. Jameson and a 6-room bungalow for W. D. Baker. Geo. H. Clark, real estate agent of Los Angeles, formerly of this place, was out in this vicinity the past week visiting with old friends and neighbors.

W. T. Hayhurst made a business trip to Los Angeles Monday.

The fine weather still continues to remain with us.

Mrs. M. S. Ferguson entertained the Thimble Club at her home Wednesday afternoon. Dainty refreshments of sandwiches, olives, pressed chicken, pie, cake, sliced bananas with whipped cream, and tea were served. Decorations were China lilies. Mrs. J. Jameson was taken in as a new member.

James Mackie and J. H. Bethel were business visitors in Santa Ana Tuesday.

R. A. Stevenson spent the weekend in Los Angeles. Mrs. Everett and Miss Linford of Santa Ana were guests at the Hot Springs Hotel Saturday and Sunday. Mr. and Mrs. W. D. Baker entertained several of their friends with a dinner Sunday at their home in Pollerino.

What was for a short time thought to be a serious accident happened Wednesday afternoon when the delivery wagon driven by Mr. Pierce for the South Santa Ana Mercantile Co. ran away. The team was stopped by Enis Joseph before very much damage was done.

MISERY FROM STOMACH GOES

No Indigestion, Heartburn, Gas or Dyspepsia Five Minutes Later

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapiesin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there. Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of Dyspepsia, Indigestion or any other stomach disorder.

Get from your Pharmacist a 50-cent case of Pape's Diapiesin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating Headaches, Dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Relief in five minutes from all stomach misery is waiting for you at any drug store. These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of Dyspepsia, Indigestion or any other stomach disorder.

THIS BEATS WALLINGFORD

That wizard of finance, Mr. Wallingford, ought to get hold of a copy of the annual report of the Tri-Counties Reforestation committee which was made a few days ago. It would certainly make him think his operations were on a very circumscribed scale. Tucked away in an inconspicuous paragraph in Chairman Cuttle's report is a report on the water spreading operations last season of the water conservation association which is an auxiliary of the Tri-Counties committee. In this report Mr. Cuttle shows that the summer supply of water coming from the San Bernardino artesian basin to Riverside alone was increased last year 1000 inches. This regular and permanent increase in the water supply was not due to increased rainfall but could undoubtedly be traced to the sinking of the surplus waters of the Santa Ana river in the debris cone of gravels in the upper part of the valley.

The association invested about \$8000 in these storm water spreading operations and the value of the increased flow of water, at the very lowest estimate, was \$1,000,000. In other words, an investment of \$8000 brought a return of \$1,000,000.

And that is not all of the story either. Mr. Cuttle did not undertake to estimate the increased flow of wells and ditches which furnish water in San Bernardino county, as a result of these water spreading operations. It is known, however, that the water plane throughout the valley was higher than for many years; there was an increased flow in several ditches and many wells that had ceased to flow had been giving out a fine supply of water. It is not an extravagant estimate to say that very likely another \$1,000,000 worth of water was conserved to water users other than those considered by Mr. Cuttle.

This year the work will be carried on in a still more extensive manner and with the ordinary rainfall on the mountains, the amount of water stored in natural reservoirs should be largely increased. What is being done in the Santa Ana river can be done on other streams, and with a small expense millions of dollars worth of water can be stored every year. In view of the precious character of water in this country, and in view of the small cost of these storage operations, it is surprising that the work was not undertaken sooner and has not been carried out on a more extensive scale. Riverside and Orange counties that are interested in these operations on the Santa Ana have no patent on the process; they are glad to pass it on to other communities.

There is a dream of wealth made possible for Southern California by this work which will make Rufus Wallingford look like a cheap guy.—Riverside Press.

A PLEA OF GUILTY

A. J. Pillsbury in California Outlook

A rather constant and patient reader of my effusions writes to ask, timidly and with some evident hesitation, if I am always just in my appraisal of Socialism, and to say that, I have been more keenly solicitous of you are taking time to understand the true inwardness of the deeper modern Socialist message and meaning. I think it entirely likely that I have been more keenly solicitous for an opportunity to get in an effective blow against Socialism than to be sure that the blow was well deserved, and, as for understanding the "true inwardness of the deeper modern Socialist message," to whom shall one go? I find little agreement among Socialist writers. Spargo, Wells and Jaures have relatively little in common save that the times are out of joint. They all affirm that brotherhood is the keynote of Socialism, and yet if one can get a bunch of Socialists together and start them to defining Socialism, how they will fight! I confess that I don't know where to go to find that "deeper modern message." If any part of that message is that "economic determinism," which affirms that we are helpless in our present capitalistic, gain-pursuing environment to be other than we are, then I denounce it as untrue and infidel to the Christian religion which commands us to have resources within ourselves, to live righteously in a wrong headed world. Sometimes, if I live long enough, I am going to purchase a hymnbook and learn how to sing that I may start out proselyting for a "Christian Individualism," an individualism that shall be self-reliant and self-helpful, and yet will do business on the policy of paying as well for things as one can afford to pay, instead of ransacking the earth that one may buy in the cheapest market; of selling as cheaply as one safely may, instead of charging all that the traffic will

Critical Congressional Situation

FROM THE RIVERSIDE PRESS

The situation in this county so far as candidates for congress is concerned is certainly getting serious, and if we do not watch out, we shall be indulging in some mighty bone-headed sort of politics. In the past Riverside has had the reputation of playing the political game with good judgment and fair success. When we wanted anything, we have gotten together and gone after it with harmony and enthusiasm; and we have usually landed the things we went after because our forces were united and our purpose was well defined. But this is what we are starting in to do in the congressional matter. Francis Cuttle has been a receptive candidate for congress for more than a year, and has been quietly lining up a lot of support. Recently the friends of S. C. Evans have started a boom for him and are working actively and enthusiastically in mapping out a campaign which they believe will win him the nomination. And now some of the enthusiastic admirers of Senator Estudillo insist that he is the logical candidate and they cite some arguments in support of their position which must be admitted as strong ones.

Now the Press has not a word to say against any one of these three gentlemen, and they undoubtedly have a perfect right to be candidates, but looking at the matter from the standpoint of practical politics, it is folly for this county to go into the campaign in the new congressional district with three candidates. They would simply kill one another off, and the other counties in the district would laugh at our political stupidity and proceed to name the congressman. In view of the fact that Riverside is the center of the citrus fruit industry, there has been a disposition to concede the nomination to this county; but that was on the theory that we would unite on some

one man and support him loyally. It would be a great thing for this county to have the congressman, and looking at the situation from the standpoint of the interests of the county, the Press wants to urge upon the friends and supporters of Messrs. Cuttle, Evans and Estudillo that they get together. There certainly should be some means found of determining which one of these three men is the strongest and most available, not in Riverside county alone, but in the other counties in the district, and when that fact has been determined, the other two candidates ought to accept the situation and get in behind the one man who is selected to enter the race as representing this county. Even then, we might fail to land the nomination, for other counties will have candidates; but we shall face certain failure, if we start in with three candidates.

In this connection a personal word may be allowed. For several months there has been talk about the managing editor of the Press as a candidate and some very kind things have been said about him in that connection in other papers and in private letters. He is deeply appreciative of these expressions of confidence and offers of support, but he has said repeatedly that he is not a candidate. Just a few days ago the Imperial Valley Press came out with an editorial urging his candidacy. It seems necessary, therefore, to again say what has been said before that the writer is not a candidate for any public office; he is well satisfied with being a plain newspaper man. And he is ready to get back of any good man Riverside county may decide to enter in the congressional race. If, however, the county is foolish enough to have three candidates, the Press will take to the woods.

Our Washington Letter

WASHINGTON, Jan. 19.—Trades unionism is more adequately represented in the Sixty-second Congress than in the history of the union movement. According to a list just made public by the American Federation of Labor here, there are fifteen representatives in the House who carry union cards, and who meet frequently to discuss legislation affecting the workingmen. No attempt is made to formulate measures at these conferences, and there is no "lobby" formed—the members merely meeting for discussion of matters of interest to union labor. The meetings are also held on the specific understanding that the participants are not pledged to the support of various measures.

The fifteen union labor representatives, and the organizations of which they are members, are:

Wilson, W. R., Pa., Coal Miners, Democrat.
Lee, Robert E., Pa., Blacksmiths, Democrat.
Martin, John A., Colo., Locomotive Firemen, Democrat.
Cary, Wm. J., Commercial Telegraphers, Republican, Wis.
Berger, Victor L., Wis., Typographical, Socialist.
Hughes, Wm. N. J., Textile workers, Democrat.
Buchanan, Frank, Ill., Structural Ironworkers, Democrat.
McDermott, James T., Ill., Commercial Telegraphers, Democrat.
Anderson, Carl C., Ohio, Musicians, Democrat.
Lewis, David J., Md., Coal Miners, Democrat.
Smith, Chas. B., N. Y., R. R. Telegraphers, Democrat.
Sherwood, Isaac R., Ohio, Typographical, Democrat.
Roberts, E. E., Nev., Metal Workers, Republican.
Farr, John R., Pa., Typographical, Republican.
Maher, James P., N. Y., Hatters, Democrat.

"This group of labor men," said President Gompers of the American Federation of Labor, "has already accomplished much. We are striving to increase their number, and the possibilities of their increased influence and power for just and humane legislation are exceptionally bright."

Four hundred and fifty pages of

the industry will stand instead of the lowest at which men will work without a fight; of giving the fullest measure, heaped up and pressed down, instead of with the scantiest light-weight scales and with the bottoms of half-peck measures so near to the top that one may scarcely tell which side goes up. Economic determination will prove a mighty poor justification for having taken the broad, down-grade road, merely the direction of least resistance and

GERMAN EXPERT TO TEACH GROWERS HOW TO ENRICH GROUND

POMONA, Jan. 20.—The American Beet Sugar Company of China has imported an expert to teach the beet growers scientific methods to increase the productivity of their land. The appointee is a graduate of the best universities in Berlin and his name is Erich Schilling. He will first analyze the land and then advise the growers what addition is necessary to perfect the soil for beet raising. Many of the ranchers are from Germany and say that the soil here is the best in the world for the raising of beets, and far in advance of the land in their home country.

GERMANY PLACES HEAVY LOANS FOR R. R. CONSTRUCTION

BERLIN, Jan. 19.—Loans amounting to \$127,000,000 were placed yesterday by the Imperial Government and the State Government of Prussia combined, with a group of Berlin banks headed by the Prussian State Bank, interest to be 4 per cent. The German Empire's portion of the loan amounts to only \$20,000,000, for the redemption of part of the \$60,000,000 of treasury notes maturing this year. There is to be no increase in the Imperial debt. The loan of \$105,000,000 issued by the Prussian State Government is for the construction of railroads, the acquisition of rolling stock, etc. The subscription list opens on January 29 at the rate of 101.40.

GOVERNOR CANNOT APPOINT HEWITT AND SUTHERLAND

SAN FRANCISCO, Jan. 20.—Governor Johnson's desire to appoint Senator Leslie R. Hewitt of Los Angeles and Assemblyman W. A. Sutherland of Fresno to the railroad commission has been blocked by an opinion from the office of Attorney General Webb that they are not eligible because they are members of the legislature which provided for the expansion of the commission from three to five commissioners.

State of Ohio, City of Toledo, Lucas County—ss.
Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure.

Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1886.
(Seal) A. W. GLEASON, Notary Public.
Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces of the system. Send for testimonials free.

Sold by all druggists, 75c.
Take Hall's Family Pills for constipation.

NOTICE OF ANNUAL MEETING
The annual meeting of the stockholders of the Peoples New Laundry Company of Santa Ana will be held at the office of the company on Monday, February 5th, at 2 o'clock p. m., for the purpose of electing directors for the ensuing year, and for the transaction of such other business as may properly come before the meeting.

The People's Forum

Brief communications will be published under this head, provided they be signed by the author, or the author's name be sent to the Editor as an evidence of good faith. However, the Editor shall be the sole judge as to the propriety of publishing any communication, and the Register assumes no responsibility for any views that may be expressed in this column.

Polytechnic School Site

This is a matter in which all the people of our city are deeply concerned and are manifesting an active interest. Such being the case, I would suggest that, while the school board and advisory board are composed of gentlemen whose honor, integrity and ability are unquestioned, a special election be called and give all the people the privilege of expressing their site by a vote. All good American citizens always submit gracefully to majority rule expressed at the polls. The school board will thus be relieved of a burden of great magnitude, and the taxpayers satisfied.
DR. J. F. DOYLE.

ROOSEVELT NOW DRIVES AUTO IN NEW YORK TRIPS

NEW YORK, Jan. 20.—Theodore Roosevelt, colonel of the Rough Riders, has at length yielded to the tendency of the times and sits behind the steering wheel of his own automobile. Residents of Oyster Bay on several occasions recently have seen Colonel Roosevelt driving through the town with his hand on the wheel, steering the car as if he were thoroughly familiar with the mysteries of the levers and pedals which must be manipulated.

The sight was a surprising one, because Colonel Roosevelt's love of the horse and aversion to automobiles were well known.

In spite of Colonel Roosevelt's preference for the horse, he found the automobile indispensable when he began to make regular trips between Oyster Bay and New York.

SAN BERDOO ORANGE SHOW TO BE NATIONAL

SAN BERNARDINO, Jan. 20.—The greatest exposition of the citrus fruit industry ever held in America will be the National Orange Show in San Bernardino February 19 to 24.

Preparations for the big show are now at their height. The grounds are being graded preparatory to the placing of the great exhibition structure, which will provide more than 50,000 square feet of space for the showing of the industry, which last year brought to California more than \$50,000,000.

The show will be national in fact as well as in name. Not only will every portion of California be represented from Butte county in the north to the Mexican line on the south, but exhibits have been assured from Louisiana and Florida, so that opportunity will be had for seeing the fruit of those districts side by side with the product of the California orchards.

VITAL QUESTIONS

Parent-Teachers Association Discuss Live Ties at the Lincoln School

The Lincoln School Parent-Teachers Association met in their monthly session on Thursday, January 18. The musical numbers were heartily applauded. The two song numbers were given by the John School orchestra. The boys singing beautiful work in harmony interpretation. Two pleasing numbers were rendered by pupils from the fifth grade, Miss Mary Andrews' solo, Arthur Perkins, accompanied by Miss Linda Paul and piano by Margaret May.

Mrs. Lillian Wey gave a complete review of the year's work for the united effort throughout our county by establishing the Triangle Club for the development of spirit, mind and body. He discussed the outlook along lines and spoke of prospects for the year.

Dr. Wehrly gave an address on "First Aid to the Sick," which was most practical and appreciated by mothers, teachers and pupils.

The "Question" led to discussions along lines dress for school children. The subject was made that perhaps a unit effort of organized mothers would do something along lines of sible shoes for school girls.

A most vital question for next meeting is "What a Wido to Help Our Children More?"

Woman's League

The local chapter of the American Woman's League will meet Monday, January 22, instead of today, January 20, as announced last night.

Bishop Johns

The Right Rev. J. J. Johns, bishop of the diocese, will be tomorrow evening and will preach at the Church of the Messiah, 1101 E. 4th at the confirmation service to take place at that time.

Since the problem of itaneous school and music study is met why not meet it in the way that there are extremely few in which health actually fits to the degree that is imagined.

With properly appointed practice time, i. e., in twenty-minute intervals, which is psychosocially correct, there are few pupils who cannot easily keep regular music study. An hour of practice is sufficient when of that quality.

504 1/2 N. Main St. N. 214.

UNION SOCIAL

Baracas and Philatheas Join in Pleasant Social at the First M. E. Church

The Baraca and Philatheas from the various churches of the city last night held a very pleasant union social in the parlors of the First Methodist church. The rooms were prettily decorated in the Baraca colors, and everything was well arranged for the occasion.

After a welcome address by Rev. H. E. Murkett, a very excellent program was rendered.

A jolly time was enjoyed in an interesting contest that followed. Being leap year, the girls were given the first privileges of the evening. Appetizing refreshments were served in the banquet room at the end of the diversions.

Last night's event proved to be one of the most pleasant ones enjoyed by the young people of the churches of Santa Ana for some time. All who were present are looking forward to another delightful union social of the Baraca and Philatheas.

Athena Club

The Athena Club of the High School held a jolly masquerade last night at the high school in the lower hall. The spacious apartment afforded a pleasant meeting place for the 100 or more girls that took part in the affair.

There were many clever costumes, pretty costumes and some not so pretty but well sustained. Miss Linna Yarnell, representing a Spanish dancer, was awarded a prize for the prettiest costume, and Miss Grace Peterson in the character of the familiar figure of the city streets with a violin and a placard on the breast "Help the Blind," won the prize offered for the most original characterization. After various stunts by many of the guests, including fancy dancing, tabloid dramas and the like, they indulged in delicious hot chocolate with whipped cream, sandwiches, apples and confections, concluding the enjoyable event.

Emma Sansom Chapter

Emma Sansom Chapter, U. D. C., held a very interesting meeting at the home of Mrs. Bradford on French street yesterday, giving honor to the birthday of Gen. Robert E. Lee. An address of the state, president was read, in which she urged all chapters to work together for the good of the cause. This was followed by an instrumental solo by Mrs. Eva Steedman. Light refreshments closed the meeting.

The next meeting will be held in February with Mrs. Overshiner. The afternoon will be a tea and a musicale will be given in the evening led by Miss Bess Welch of Los Angeles.

Birthday Dinner

Mr. and Mrs. L. R. May of North Bush street, entertained with a sumptuous dinner yesterday in honor of the birthday anniversary of Mrs. Frank Trickey, sister of Mrs. May.

The following ladies and children partook of their hospitality: Mrs. Alva Ritter, Mrs. Carl Mansur and daughter, Margaret, Mrs. Chas. Lieser and son, Raymond, Beulah May and Mrs. Frank Trickey and children.

The matrons took the young children for a visit to the Day Nursery

and then drove to the home of Mrs. H. A. Newman, mother of Mrs. May and Mrs. Frank Trickey who has been so long an invalid, to greet and cheer her on her sixty-second birthday.

All together the day was one of much pleasure to all concerned.

Shoaff-Ashley

Walter H. Shoaff, dentist of Los Angeles, and Helen A. Ashley, also of Los Angeles, were married at the Congregational church by Rev. Chas. H. Secombe at 4 p. m. yesterday.

They had with them the bride's mother, Mrs. Dora Cull, and a friend, Mrs. Ida Van Riker. The party came from Los Angeles by auto.

Personals

Mrs. J. W. Bishop was a morning passenger to the city on the electric.

Miss Myra Kirk made a trip to Los Angeles this morning.

Miss Allie Hallett Taylor spent today in the Angel City.

Miss Edith Everett was a visitor in Los Angeles today.

Mrs. Jack Porter was in Los Angeles yesterday a guest at a violet luncheon.

Mrs. Harry Dean has returned from a two or three days' stay in Los Angeles.

Misses Hazel and Marvel Baker returned last evening from an all day stay in the Angel City.

S. H. Tuttle and wife of Roseville, Ill., are the guests of Mr. and Mrs. W. J. Cozad. They may remain here for the winter season.

Mr. and Mrs. D. N. Kelly and daughters are in Turlock, Stanislaus County, for a several weeks' stay.

W. T. Merigold made a business trip to the Angel city this morning.

J. P. Baumgartner, Mr. Sexton, Mrs. John Traylor and son, Mrs. H. T. Duckett, Miss Snyder and T. E. Stephenson went to the aviation meet today, going from Santa Ana to Dominguez Field in the Baumgartner automobile.

SANTA ANA VISITOR TAKES STRAW VOTE

Dr. A. J. Cole, a brother of D. G. Cole of this city, arrived here yesterday from his home in Britt, Ia., for a visit. He came out on the Santa Fe and polled the train as to presidential preference. The result was:

Republican—Roosevelt 35, Taft 12, La Follette 10, Dark Horse 5.

Democratic—Bryan 7, Wilson 5, Champ Clark 3, Harmon 1.

Socialist—6.

Prohibition—2.

Change in Time Table

The Pacific Electric announces a slight change in its Orange time card, the car which has been leaving for Orange at 7:03 a. m. now leaving at 7:25 a. m.

Autos Mix Up

A racing automobile belonging to the Inter-State Garage, of Los Angeles, while passing through the city this afternoon, engaged in a slight mix-up with the car of Dr. Mabel Vance, which was standing in front of the Odd Fellows' building. The only damage was a slightly mashed mud guard on Dr. Vance's machine.

Card of Thanks

We desire to thank our many friends and neighbors, and especially do we desire to thank the neighbors for their loving sympathy and aid during our late bereavement. Also do we extend our thanks for the many beautiful floral offerings.

MRS. GEORGE E. MOE and Family.

Sunday dinner, duck and chicken, at Hotel Rochester, Orange, tomorrow. Price 50c.

CHURCH NOTICES

First Baptist Church
Corner Church and Main streets.
Rev. Otto S. Russell, pastor.

The pastor will preach at 11 o'clock on "The Alchemy of Encouragement," and at 7 o'clock on "How the Man Lost His Garden."

Sunday school at 9:45. Z. B. West, superintendent. Young People's Bible study class at 5:15; Intermediate C. E. at 6. The Y.P.S.C.E. will join in the City Union meeting at the First Presbyterian church at 5:45.

The Woman's Missionary Society will meet Wednesday at 2:30 p.m. at the church. Mrs. H. H. Steinmetz, a missionary to the Philippines, will give an address.

Midweek prayer meeting Thursday at 7:30 p.m. "Echoes" from the Redlands convention will be given by the delegates.

First Church of Christ, Scientist
Corner of Sixth and Sycamore Sts.
Services on Sunday at 11 a. m. and 7:30 p. m. Sermon from the Christian Science Quarterly, subject: "Life."

Sunday school at 9:45 a. m. Wednesday evening testimonial meeting at 7:30 o'clock. Free reading room open daily except Sundays, from 2 to 5 p. m., same address.

Bible Students
The International Bible Students' Association meets in the G. A. R. Hall at 2:45 p. m. The topic tomorrow is: All Scripture is profitable for inspiration of God and is profitable for doctrine for reproof, for correction in righteousness; that the man of God may be perfect, thoroughly furnished unto all good works. 2 Tim. 3: 16, 17. In these days of pulpits of infidelity, of evolution, and higher criticism it is very necessary for the Christian to be able to give scriptural reasons for the hope they have. To show the harmony of the scriptures, the grandeur of God's plan of salvation, and to become workers that need not to be ashamed, rightly dividing the word of truth, are the objects of our meetings. You are invited. No collections. Un denominational.

Spurgeon Memorial M. E. Church, South
Corner of Church on Broadway.
Preaching at 11 a. m. and 7 p. m. by the pastor. Subject from Luke's Gospel, both hours. Sunday school, 9:45.

Let the men get busy. The women are leading and that will never do. For us strong men to allow such a condition would be a calamity. Men, just bring the children along, and the house—never mind the house and the dinner. If you will come to Sunday school I am sure your good wife will be so pleased she will turn in and help you get dinner. And as for the Sunday paper, it can be left alone until Monday, for a rest from worldly news will refresh and help you. We covet your presence and help in this good work.

Junior League, 2:30; Intermediate, 3:30; Senior, 6 o'clock.

church tomorrow and bring someone else, we will have a full house and both services will be an inspiration and a blessing. A. F. Stem, pastor.

Immanuel Baptist Church
Corner Sixth and French streets.
Rev. J. H. Scott, pastor.

Bible school at 9:45 a. m.; morning worship and preaching at 11; Young People's Meeting at 6 p. m.; evening gospel service at 7.

The subject of the pastor's sermon in the morning will be "Missionary Logic," and in the evening "Looking Backward From the Other Side."

A cordial welcome to all.

Unitarian Church
Sunday school begins at 10 o'clock. Church service at 11. The sermon topic will be: "Is Life a Blessing?" Rev. Francis Watry, minister.

United Presbyterian Church
East Fourth street, W. L. C. Samson, pastor.

"My blood . . . shed . . . for the remission of sins." When Jesus said He died for "the remission of sins," did He speak truthfully, or do men speak the truth who say: Christ's death "was not the substitution for sin, but the meaningless sacrifice of an uncompromising life." The above is the morning text and theme.

Is it a fact "That the Old Testament never prophesied the Coming of Jesus?" Come to the evening service and hear the true answer to this question.

Sabbath school, 9:45 a. m.; Young People's meetings, 6 p. m.

Lutheran Church
Corner Brown and Sixth streets.
Rev. H. O. Michel, pastor. Services Sunday morning at 10:30. Sunday school will begin at 10 a. m.

Zion's Evangelical Church
Corner Main and Tenth street.
George Hussor, pastor.

Sunday school, 9:30; preaching services both morning and evening will be conducted by the pastor. Subject of morning sermon: "Receiving Jesus as Our Savior." In the evening: "The Great Salvation."

Junior Alliance, 2:30. Young people will unite in union service.

Revival meetings will continue every evening of next week, with the exception of Saturday evening. Rev. Zahl of Anaheim will assist. A most cordial welcome to all.

First Christian Church
Corner Sixth and Broadway. All the regular Lord's Day services at the usual hours. Rangers in the city will find a welcome in all these services. The subject for the morning theme is, "How Readest Thou?" The subject for the evening sermon is, "Time As an Interpreter." Paul E. Wright, pastor.

First Presbyterian Church
The Sacrament of the Lord's Supper will be administered and new members received at the morning service. The pastor will preach in the evening upon the topic, "The Cause and Cure for Discouragement." The Sunday school will meet at the usual hour. The city union of young people's societies will meet in this church in the evening.

First Methodist Episcopal Church
9:45 a. m. Sunday school; 3 p. m. Junior League; 5:45 p. m. Epworth League; 11 a. m. and 7 p. m. public worship with sermon. Morning subject, "The Church a Life Saving Station." Evening, a symposium, "How Shall the Church Prepare for a Revival." The pastor will open the subject. Rev. Edward Lee will speak on "The Preparation of Faith." Rev. Thomas Hodgkin, "The Preparation of Prayer." Rev. Llewellyn Miles, "The Preparation of Waiting and Expectancy." Rev. A. L. Dearing, "The Relation of the Holy Spirit to All Preparation."

The Church of the Messiah
The Rev. W. H. Wotton, rector. Services for the third Sunday after the Epiphany: Holy communion 7:30 a. m. Matins and sermon 11 a. m. Evening song and confirmation 7 p. m. Sunday school 9:45 a. m. The Right Rev. J. H. Johnson D. D., bishop of the Diocese, will be present at the evening service for confirmation, and will preach the sermon. All seats are free, and all are welcome. The offering at the evening service will be for Diocesan Missions.

First Congregational Church
Main and Seventh streets. Rev. Charles H. Secombe, pastor. The pastor will preach both morning and evening. Morning subject: "Learning to Know Christ for Yourself." Evening lecture-sermon, "Portage, or a Birthright." The Eternal Question. There will be special music by the choir. Mrs. Johnson will sing a solo in the evening. Bible school at 9:45 a. m. Intermediate Society at 5:45 p. m.

City Union Meeting
There will be a regular meeting of the City Union at the Presbyterian church tomorrow at 5:45. Come.

COLDS VANISH
The Sensible Overnight Remedy For Sensible People

After you have upset your stomach with pills, powders and vile nostrums and still retain possession of that terrible cold, do what thousands of sensible people are doing. Do this:

Into a bowl three quarters full of boiling water pour a scant teaspoonful of HYOMEI (pronounce it High-ome) cover the head and bowl with a towel and breathe for five minutes the soothing, healing vapor that arises.

Then go to bed and awake with a clear head in the morning. HYOMEI does not contain opium, cocaine or any harmful drug. A bottle of HYOMEI Inhalant costs 50 cents at The Rowley Drug Company and druggists everywhere. Guaranteed for catarrh, asthma, croup and catarrhal deafness.

The Royal Restaurant on West Fourth street will be open at all hours. Meals 25 cents. Home cooking.

Home laundry work is ruinous to the disposition and the personal appearance. We have the most approved machinery for turning out fine work. The Peoples New Laundry, 901

Statement Concerning Santa Ana Y. M. C. A.

Since the organization of the Santa Ana Y. M. C. A. and the election of officers on Jan. 7, many people have shown their interest in such work by voluntary expression of their approval, and often by questions concerning the work which we aim to accomplish. For the benefit of these friends and of all people who seek to keep in touch with every progressive movement in our city, we take this opportunity to set forth an outline of our plans and purposes.

Stated briefly, our purpose is to unite all young men, of good moral character, who are willing to do definite work for others, in order that thus united we may meet the needs of the young men of our community. We purpose by united efforts to increase the present efficiency of the work for young men by the churches, and to supplement this by work which at present the churches cannot do.

In order to accomplish this, the following committee chairmen are forming their committees and laying plans for work to begin immediately:

Membership, Loren Mead; religious work, Jasper Osborne; social, Charles Parslow; athletic, Martin

Warren; employment, R. R. Smith; boys' work, J. R. Baker.

The membership, boys' work and athletic committees have already begun definite work.

Within the next two weeks a campaign will be launched to inform every young man in Santa Ana concerning the work now being done by the young men's classes in the Sunday schools, and to get every man to unite with some such class.

An employment bureau where all men seeking employment may be brought in touch with those desiring help, will soon be opened with headquarters at the firm of Smiley & Smith, and with branches in other parts of the business district.

An athletic league among the Sunday school classes is being formed and in the near future will be started a series of basketball games. The association has offered a pennant to the team winning the championship.

On Tuesday, Jan. 30, a banquet at the Congregational church will help all those interested to become better acquainted and better informed concerning the plans for future work.

CHARLES ROBINSON, President.

Fullerton Band Boys Serenade 'The Sheriff'

The Fullerton Band came over to Santa Ana last night for a visit with their former president, Sheriff Charles Rudbeck, who is very popular with the members. The band played a few pieces on the street, then went to the sheriff's home at 639 North Birch, where it serenaded the sheriff and his wife. Mrs. Rudbeck was aware of the coming of the band boys and had a fine oyster supper prepared for them. After the supper the band went to the home of County Clerk Williams to serenade him, but did not find him at home.

The members of the band are L. C. Edwards, president; C. W. Crandall,

vice-president; F. T. Mills, director; C. R. Carrigan, Albert Cook, P. R. Collins, C. O. Wheat, Lloyd Emerick, Ralph Thomas, Glenn Stillwell, O. A. White, Fred Bernstein, Herbert Salverson, Arthur Rice, Fred Corona, Charles Lloyd, Milo French, J. M. Woodward, Archie Ellis, Melvin Salverson and Bennet Schultz.

The Fullerton Band has an enviable reputation as a set of good fellows and that their music is high class is well known all over the county. Sheriff Rudbeck has hosts of friends, but he counts the members of the band as his most loyal friends. The sheriff was a member of the band for a good many years.

of Arcadia. None should miss this beautiful poetic drama. There is plenty of comedy in this new show and the feature vaudeville act (Tripeda and Robinson) is the talk of all. The wonderful quick changes of this team are so astonishing that it seems impossible. Their act alone is worth the price.

Santa Ana Minstrels
The finishing touches to the final rehearsals are being put to our local boys' amateur black-face production. The stage fixtures and costumes are being furnished by Los Angeles. The jokes are good and witty. All the latest songs will be given. The Alpa quartet will be heard. The end-men are Doc Barnes and Billy Fitchett and from all reports will make big hits in their funny parts.

Prices are in the reach of everybody and reserved seats are on sale at Shafer's Music Store.

Grand Opera House

"The Landslide" will be the bill at the Grand Opera House Saturday, Jan. 20. This is the play which met with instantaneous and tremendous success and placed its author, Austin Adams, at the very front of the new dramatic movement in America. Those who have seen the play understand why Adams is already hailed as "The American Bernard Shaw" and the first playwright in this country to grapple the real issues now confronting society. Such irresistibly witty comedy and forked-lightning revelations of foundation facts has never been attempted on the American stage before. The play deals with the near election of a multi-millionaire Socialist as governor of California, and the scene is laid at his beautiful ranch house in Southern California, on the night of election day. It may readily be seen what would take place among such a man's fashionable dinner guests when the news of the landslide begins to come in. Week after week, thousands crowded to laugh and cry over the side-splitting situations—and to ponder over the tremendous lessons which Adams has put between his scintillatingly brilliant lines. "The Landslide" is the dramatic earthquake of the century. To miss seeing it is to miss the richest treat of the times.

Week after week, thousands of people from every class of society have crowded to see this tremendous play, by far the wittiest and most awakening stage message ever delivered to the American people. Written by a Californian and with the scene laid right here among the orange groves of our Southland, this amazingly successful play has attracted the attention of managers and critics, many of whom have come from far and wide to see it. Such a critic as Otheman Stevens said, in the Los Angeles Examiner, that nothing in the world-famous plays of Ibsen and Bernard Shaw is more brilliant than the epigrams in this staggering revelation of the causes of the impending social revolution, this play is one that must not be missed by any man or woman who wishes to realize just what it means to be alive today.

Evangeline at The Bell
Tonight and Sunday night Manager Roberts presents to his patrons a special number of the wonderful picture drama, "Evangeline," from a dramati-

Tustin Correspondence

By Miss Squier

SOCIETY AND CLUBS

Entertained The Tustin Twelve

Mrs. Arthur Hofer entertained The Tustin Twelve at her attractive home on the Newport road last Thursday afternoon. The house was fragrant with violets, which were artistically used in a pretty decorative scheme. The ladies were joyfully engaged with the needlework. Mrs. Chas. Johnson and Mrs. J. C. Stearns sang some solos which were greatly appreciated, after which the guests were invited to the dining room and served with an elaborate two-course luncheon.

Besides the hostess and her mother, who assisted in entertaining there were present, Mrs. Ella Smith, Mrs. Poole, Mrs. Fuller, Mrs. B. F. Nimmo, Mrs. Skinner, Mrs. Chas. Artz, Mrs. J. C. Stearns, Mrs. Chas. Bowman, Mrs. Chas. Johnson, Mrs. Moorehead, Mrs. George Pollard and Mrs. Miller.

Literature Class Meeting

The Tustin Literature class of the Ebell Club met with Mrs. W. G. Mitchell last Tuesday afternoon. The afternoon was devoted to the January number of the Current Literature magazine, the different articles being reviewed and discussed. After the study hour the hostess served the members with tempting refreshments.

Coryopsis Club Meets

Mrs. Wm. Collar entertained the members of the Coryopsis Club on Wednesday afternoon. The ladies spent a delightful afternoon with their needlework, after which the hostess served delicious refreshments. Among those present were Mrs. Mount, Mrs. McCarell, Mrs. C. C. Lambert, Mrs. Hart, Mrs. Howes, Mrs. P. W. Swartz, Mrs. Hattie Swartz, Mrs. George Praetner, Mrs. Tuttle and Mrs. Horton.

W. C. T. U. to Meet

The Tustin W. C. T. U. will meet at the home of the president, Mrs. A. L. Shatto, next Thursday afternoon, January 25. Mrs. J. C. Stearns will have charge of the meeting.

At the Thormans

Mr. and Mrs. A. Thorman kindly invited the joys of Mr. Jones' Sunday school class and their friends to join in a refreshment social at their pleasant home on Friday night of this week.

The general verdict of the guests was a "splendid time," and every one of the participants felt appreciative of the hospitality of the Thormans.

Opening Dance Enjoyed

The dance given by Mr. Kelly last Saturday evening, in celebration of the opening of his drug store in the fine new quarters, was a very successful affair. The K of P hall was well filled with a large, congenial crowd. The music was fine and everyone enjoyed themselves.

Real Estate Exchange

Mr. Wm. A. Ross has traded his place on Holt avenue to Mr. C. M.

Presbyterian Church

The usual Sunday services. Morning sermon subject: "Starting Right." Evening subject: "The Young Man in the Home." This will be the first in a series of Sunday evening discourses taken from events in the life of a great man.

PROHIBITIONISTS TO MEET IN JULY FOR NATIONAL TICKET

CHICAGO, Jan. 19.—The tentative selected dates of the national convention of the Prohibition party at Atlantic City are July 10, 11 and 12, according to an announcement made recently from the national headquarters. More than 1500 delegates will attend. Prominent among them will be several women from California, making the first time California has been represented by women, although the party's platform has always contained a woman suffrage plank.

For possible candidates for the Prohibition nomination for the Presidency, the American Advance, the official organ of that party, this week invites its readers to name their choice. Among other names suggested are those of J. W. Folk, J. Frank Hanly, Richmond Pearson Hobson, E. W. Hoch, W. R. Stubbs and Seaborn Wright.

According to a Prohibitionist, high in the councils of his party, Hanly has indicated that he will not support his party in Indiana if it does not take a firm stand on the liquor question.

WONDER BUILDING RECORD FOR LOS ANGELES IN 1911

LOS ANGELES, Jan. 19.—Official figures on home building operations in the city of Los Angeles disclose the fact that during the year 1911 approximately fifty miles of bungalows and other dwellings were erected, at the rate of nearly a mile a week, at a cost of about \$1,000,000 a month, the grand total for the year being close to \$12,000,000 for new homes alone.

It was supposed that this wonder record would stand for a while, but the first two weeks of the new year have eclipsed all similar periods in the history of this or any other city in the country. It is believed, in the line of home building. Analysis of the building report January 1 to 13, 1912 (thirteen working days), shows that a total of 224 permits were issued, authorizing the construction of new dwellings at a cost of \$433,696. This record smashes all former figures in the history of the city, and indicates that the present year is to be far and away the banner period for home building in Los Angeles.

IS YOUNGEST LICENSED AVIATOR IN UNIVERSE

LOS ANGELES, Jan. 19.—Farnum P. Fish, 17 years old, whose home is with his father, Dr. Charles W. Fish, at 2120 South Union avenue, stepped into a Wright biplane a month ago in Dayton, Ohio, soared up in the air, cut figure eights and did other stunts by which his flying ability was proven, and was thereby declared a licensed pilot by the Aero Club of America. Now he is back in Los Angeles with the distinction of being the youngest licensed pilot in the world and is preparing to take part in the coming aviation meet at Dominguez field.

LOCAL ELKS' OPEN HOUSE

Half Thousand Visitors From Beach Towns Entertained By Santa Ana Lodge

Program and Banquet at Club House Occupied an Enjoyable Evening

Nearly half a thousand Elks gathered last night in the home of the local lodge of that order and an evening of fun and high jinks was spent. It was perhaps the largest crowd that had ever assembled in the Elks' Home since that structure was dedicated, a little less than a year ago.

The occasion of last night's jollification was the entertainment by the local Elks of the Long Beach, San Pedro and Santa Monica lodges, the members of which had promptly responded to an invitation extended to them by Santa Ana lodge. There were also visiting members from other lodges, including Pasadena and Los Angeles.

Long Beach came first in a special train on the Pacific electric via Huntington Beach, and to show that they were good fellows, they brought with them the Long Beach Municipal Band, recognized as among the best bands on the coast. Headed by this musical organization, the herd from the "Queen of the Beaches" marched down Fourth street and were conducted to the hall. Later the special car from Santa Monica, and also the one from Los Angeles, arrived. San Pedro members had come with the Long Beach train, and, the guests having all arrived, they were welcomed at the hall with a friendly "Hello Bill!" and were soon plunged into the pleasures of the evening.

A splendid program of athletic performances was furnished by the Los Angeles Athletic Club, in charge of Mr. Van Cort. The program consisted of exhibitions in wrestling, fencing, tumbling, pyramid work, and a performance with the Roman rings. It was a splendid exhibition of physical development as practiced by the popular Los Angeles organization. The program was completed at 11 o'clock, when the toast, always given at that hour among the Elks, was responded to by Clyde Bishop.

The guests were then invited to the banquet room, where a spread was awaiting their coming. After enjoying to the fullest the collation prepared for them, the guests departed on their special cars at midnight.

EUGENE SCHMITZ'S TRIAL IS POSTPONED ANOTHER WEEK

SAN FRANCISCO, Jan. 19.—The trial of Eugene F. Schmitz, former mayor of San Francisco, which was to have been set for hearing yesterday, went over for a week. The indictments charging Schmitz with bribery were returned by the grand jury in 1907, but never were pressed until December 13 last, when Judge Lawler ordered the trial to be begun as soon as the district attorney could prepare the evidence.

SERIOUS ACCIDENT NARROWLY AVERTED

Olinda Derriek: How narrow a margin a man may have between himself and impending disaster and yet escape by the breadth of a hair, is a matter beyond ken. Bert Schindeldecker, his father, G. W. Schindeldecker, and Pete Collins of the Santa Fe at Olinda are among those who fully agree with this from experience had on Monday night when, just as they started to pull from Anaheim for home in the Schindeldecker machine a rear wheel came off. Examination showed that the axle had been faulty and that the final wrench had parted it. Mr. Schindeldecker, after loosening the wheel, remembered that it had been acting queerly for 24 hours, during which he had driven a couple hundred miles, and he is now satisfied that his axle was broken on his trip down from the oil field on Monday evening and that he and those with him missed, simply by mere chance, leaving the road at any place en route.

GREAT INTERESTS TO BE UNDER FIRE DURING CONGRESS

WASHINGTON, Jan. 19.—Development in the House committee on rules foreshadow congressional inquiries into three great commercial interests—the foreign shipping combine, better known as the Atlantic pool, the International Harvester Company and an organized entity that has come to be referred to as the money trust.

TORNADO WREAKS FEARFUL HAVOC IN MISSISSIPPI

WINONA, Miss., Jan. 20.—Five negroes and the small daughter of Albert Wales, a farmer, are dead, twelve are injured, and a dozen houses demolished as a result of a tornado which swept this section today.

STORM DOES DAMAGE IN MEDITERRANEAN

MARSEILLES, Jan. 20.—Great loss of life and heavy property damage is believed to have resulted from a terrific storm which is sweeping the Mediterranean. The steamer Leonardis, of Syra, stranded off Calais. The crew was saved.

JOHN REDMOND HAD CONCUSSION OF SPINE

DUBLIN, Jan. 20.—Disquieting reports are being circulated here today regarding the condition of John Redmond, who was injured three weeks ago in a carriage accident near his home in County Wicklow. At that time it was stated the Irish leader had sustained only a few bruises. It was made known for the first time today that Redmond had suffered concussion of the spine.

NO DECISION ON RAILROAD APPOINTMENTS

SACRAMENTO, Jan. 20.—Governor Johnson declared today that he was undecided as to the Railroad Commission appointments. He expressed disappointment that State Senator Leslie Hewitt and Assemblyman W. A. Sutherland will not serve. He will announce his decision within a few weeks.

AMERICAN DUCHESS IS STILL EXILE FROM COURT

LONDON, Jan. 19.—The report that the Duchess of Marlborough, who was Miss Consuelo Vanderbilt, had been granted a dispensation by King George and Queen Mary to appear at court functions, in spite of the ban against divorced persons, was emphatically denied by an authority who may be regarded as speaking for the royal household.

The royal pair will adhere to the strict rules laid down by Queen Victoria regardless of the fact that King Edward let the bars down to some extent.

YESTERDAY IN CONGRESS

WASHINGTON, Jan. 20.—What congress did yesterday:

Focht of Pennsylvania introduced a bill to restrict immigration on lines of recommendations of Immigration Commission.

Debate on District of Columbia appropriation bill.

"Pork barrel" bill, carrying \$16,000,000, reported by committee on public buildings and grounds.

The senate was not in session.

—Early Rose, White Rose, Burbanks, American Beauty and Early Harvest and King seed spuds at PRINCE GRAIN & MILLING CO.

—McPadden's pasture is closed to hunters. Any person caught hunting in either pasture will be prosecuted. This means YOU.

FISTIC BOUTS MAY BE HELD

Articles of incorporation were filed yesterday afternoon by the Newport Beach Social & Athletic Association, formed for the "promotion of social intercourse between its members, to promote athletic contests and to furnish amusement and recreation for its members."

The directors are J. Landis and W. P. Conley of Newport Beach, and J. C. Lanham of Palms. Landis is the man recently prosecuted on a charge of running a place where there was gambling. The association has no capital stock.

Croft Paid \$20

B. C. Croft was yesterday in the superior court on a citation to show cause why he should not pay \$41 witness fees for his wife, Nina Croft, who sued him for alimony. Croft answered with a demand for divorce. After the hearing Judge West ordered Croft to pay \$20 only, which he paid. The trial of the case is set for next Thursday. It will be heard by Judge Densmore of Riverside, who on Tuesday hears the suit of French vs. Stanton, an Anaheim land suit.

Marriage Licenses

On Jan. 19—Marshall S. Culver, 37, of Los Angeles, and Ethel K. McElbourne, 36, of Denver; Marion S. Phippen, 34, and Edith H. Rose, 22, both of Orange; Walter A. Shoaff, 43, and Helen A. Ashley, 25, both of Los Angeles; Henry H. Mears, 49, and Tillie L. Swart, 26, both of Los Angeles; Edward J. Partington, 41, of Los Angeles, and Mary Stavovsky, 31, of Portland, Ore.; Edwin Borgwardt, 29, and Marie J. Stromberg, 31, both of San Francisco.

THREE KILLED AS BOILER OF STEAMER EXPLODED

KALAMA, Wash., Jan. 19.—Captain Fred Stinson, first mate Arthur Montcal and fireman Silas Knowles were killed when the boiler of the river steamer "Sarah Dixon" exploded at Martin's Landing. The boat sank. Nine remaining members of the crew escaped with difficulty.

24 CHICAGO GIRLS ARE MISSING IN TWO MONTHS

CHICAGO, Jan. 19.—The disappearance of Violet Buchler and her subsequent discovery, effected principally because of the notoriety attending the case, has drawn the attention of the Chicago police to the other missing young women.

An examination of the police department records disclosed that since last November twenty-four girls between the ages of 15 and 20, have been reported to the police as missing.

KING GEORGE AND QUEEN MARY MAY VISIT U. S. IN 1914

LONDON, Jan. 19.—The Duke and Duchess of Connaught, uncle and aunt of King George V., will leave Canada for New York Sunday to pay a visit to the United States.

Now it is learned that King George and Queen Mary may visit the United States and the King, in accepting the Duke of Connaught's invitation to attend the opening of the new transcontinental railroad in Canada in 1914, will extend his visit to Washington and New York.

STRIKE AFFECTING MILLION ENGLISH WORKERS SETTLED

LONDON, Jan. 20.—Long-standing differences between the cotton mill owners and the operatives over the open shop policy, which resulted in a lockout affecting about 1,000,000 men and women, were finally settled yesterday as a result of government intervention, and the Lancashire mills will resume Monday.

KING OPENS SOCIAL SEASON AT AMERICAN LEGATION

COPENHAGEN, Jan. 20.—King Frederick opened the Danish court winter social season yesterday by attending a dinner given in his honor at the American legation. His majesty was received by Maurice Egan, the American minister, and was escorted to the dining room, which was beautifully decorated.

LAWRENCE SITUATION CONSIDERED GRAVER

LAWRENCE, Mass., Jan. 20.—Four companies of militia have joined the eight already here to prevent rioting by the striking mill hands. The situation is considered graver. President Wood, of the American Woolen Company, has delivered an ultimatum refusing to grant the demands of the strikers.

SOUTHERN PACIFIC CUTS TIME FROM PORTLAND

—Commencing January 15th Shasta Limited No. 11 from Portland due to reach Port Costa at 7:30 p. m. and from San Francisco at 6:20 p. m. due Port Costa 7:35 a. m. making fine connection with Shasta Limited enabling passengers to come directly through instead of remaining overnight at San Francisco. This makes time from Portland to Los Angeles only 28 hours 15 minutes.

Life is too short to waste time and strength washing clothes over a smoky bonfire in the back yard. Try us on rough dry work and see how reasonable is our price. The Peoples New Laundry, 901 East Fifth St. Both phones.

—The flush side fore-door and semi-scullie cash give individually to an E-M-F "30." See our exhibit this week. Wm. F. Lutz Co.

NOTABLE WEDDING ATTENDED BY TAFT

Mrs. Cromwell, "Most Beautiful Woman in Washington" Weds E. T. Stotesbury

WASHINGTON, Jan. 19.—Mrs. Eva Roberts Cromwell, widow of Oliver Cromwell of New York, and known as the most beautiful woman in Washington, became the bride of Edward T. Stotesbury of Philadelphia at 4 o'clock yesterday afternoon. Stotesbury is the head of the banking house of Drexel & Company. The ceremony was performed in the home of the bride, 1808 New Hampshire avenue, by the Right Rev. Alfred Harding, bishop of Washington, in the presence of a small but distinguished company, which included President Taft and Mrs. Taft. There was but one attendant, Arthur Emlen Newbold of Philadelphia.

Gives \$5,000,000 to His Bride
Stotesbury's gift to his bride included \$4,000,000 in securities and gems worth \$1,000,000. These included a rope of pearls so long that its wearer must wrap it about her neck many times to keep it from touching the floor. It cost half a million dollars.

TWO MEN ARRESTED IN CHICAGO AFTER GIRL'S CONFESSION

CHICAGO, Jan. 20.—Roy Allen and Charles McClain have been arrested following what the police say was a full confession from Violet Buchler, the 15-year-old girl who abandoned a hundred thousand dollar fortune and went to New York presumably because of love for Jack Clene, a waiter. The girl arrived here today, accompanied by detectives who made the statement concerning her confession.

DEMOCRATS NOW FEAR DANGER OF ECONOMY PLAN

WASHINGTON, Jan. 20.—Democratic leaders of the house are so greatly concerned over the prospect of their economy program being shot to pieces that a caucus of that party will be called in the near future to put on the brakes and fix a limit for the expenditures of the session. The leaders have been thinking of doing this for some time, but the necessity for immediate action was impressed on them yesterday when the house committee on public building and grounds voted unanimously to report a \$16,000,000 public building bill.

AIRMAN VERREPT WINS PASSENGER-CARRYING RECORD

PARIS, Jan. 20.—Verrept, carrying two passengers, monoplane thirty-three hundred feet aloft, smashing the world's record for a similar feat.

ARIZONA LABORERS WILL ORGANIZE

PHOENIX, Jan. 20.—Delegates from twenty industries of organized labor have met to organize a state labor federation. They deny that they will attempt to form a labor political party. The principal work will be to guard labor interests in the legislature.

TAFT TALKS ON TARIFF IN NEW HAVEN SPEECH

NEW HAVEN, Conn., Jan. 20.—President Taft was the principal speaker this evening at the dinner given by the New Haven Chamber of Commerce in the Yale dining hall. The president came to New Haven to attend a meeting of the Yale corporation tomorrow. His subject was the tariff and the tariff commission and his speech was heard by about a thousand representative men of Connecticut.

Among other things the president said: "We used to believe in a tariff wall so high that you couldn't see over it, but we don't now. Our tariff board has investigated several things and congress can now know when it takes up a revision of the wood tariff, just what it is doing. By scientific investigation we can bring our tariff system into accord with business conditions with as little disturbance as possible."

IRISH PLAYERS ARRESTED

PHILADELPHIA, Jan. 20.—The eleven members of the Irish Players Company, who were arrested following the rioting at the production of the "Play Boy of the Western World," were arraigned here yesterday on a charge of performing in an immoral play and held by Judge Carr in \$500 bail. Later they sued out a writ of habeas corpus.

The chief witnesses for the players were the director of public safety, Porter, and his wife, who said they witnessed the play and found nothing immoral in it. Two priests who were the principal witnesses for the prosecution denounced the play as "corrupting, immoral, indecent and sacrilegious."

GOOD ROADS FOR NATION ASKED BY CONVENTION

WASHINGTON, Jan. 19.—Resolutions asking for the creation by congress of a national highway commission were adopted by the Good Roads convention, which ended its sessions here Wednesday. The resolutions provide for a chairman of the committee, to be appointed by the President, and fifteen additional members, five to be appointed by the President, five by the Senate and five by the House.
